About the Freebooters

Formally established in 2017 and a member of the Tampa Bay Interkrewe Council, the mission of Ye Westchase Krewe of Freebooters is to provide a social, leadership and charitable platform for the benefit of the community that we call home. We deliver support and enhance the spirit that already makes the Westchase area a great place to live!

During the parade season, our Krewe storms Tampa Bay aboard "The Montague" – our brand new, fully equipped, double-decker float named in honor of the very passage leading into the heart of Westchase.

During the "off-season", we participate in social activities in addition to fundraising events for charitable organizations such as Ocean's Daughter Conservation Alliance, Metropolitan Ministries, The Westchase Charitable Foundation and local Elementary Schools.
