What is a Turkey? Three holes in a row where par or better is scored. It includes wrapping around hole 18 to hole 1.

For the purposes of this event only, the following rules will be in effect.

- Hole 10 will be a Par 4
- 2 Meter rule will not be in effect
- Only OBs will be the outer areas of the Park & Parking Areas
- No Mandatories, including the one on Hole 8

Each player that gets at least 1 Turkey in the round will receive a voucher for one disc valued at no more than \$16 (Club cost). *That is pretty much all the discs we carry EXCEPT the full color.* The player, using normal bag tag divisions, that gets the most Turkeys, will receive an additional voucher for two more discs, one at up to \$16 club cost and one at up to \$25 club cost!

***This is your chance to get that disc you wanted, but didn't have the money.***
