*Thank you to all who attended our MI ICES Chapter
Business Meeting conducted via Skype due to
Coronavirus (COVID – 19) on March 29, 2020*

*It was voted and approved to waive reading of minutes/
treasurers reports and to keep discussion to only the
essential- all other business will wait till next meeting.

*Michigan ICES member Sandy Crossley passed away on
March 14, 2020. “Those who touch our live, stay in our
hearts forever.”

Since there are no deliveries allowed at this time due to COVID 19 we will delay sending a formal tribute to her family until the memorial ceremony is scheduled.

*All board members were elected by acclimation since all ran unopposed.

Congratulations to our new board members!

Sarah Williams will remain as Media and Newsletter Coordinator. She and current board members will share and help teach incoming board.

*Discussion about difficulty of electronic meeting in the event we need to meet virtually again. Considering Zoom or other format for next electronic meeting. More information will be provided as options are researched.

*Discussion of need to increase membership. There are currently 17 active Michigan ICES members plus 5 lifetime members. Connie suggested identifying benefits of joining as well as offering a financial incentive or scholarship for the first year. Gwen mentioned that it is possible to purchase gift memberships on the ICES website.

*It was decided to wait to decide on the next meeting dates till life returns to something closer to normal. As physical or virtual meetings are decided on information will be shared with the chapter.

*Linda shared -- Sandy called everyone 'Precious', she never wasted her time, she would crochet at every meeting, she volunteered for everything. The following quote: "Time is precious. Waste it wisely" seems to fit her well.
