

# AM KITCHEN & BATH RESIDENTIAL REMODELING OPENS NEW YORKVILLE SHOWROOM

– Sandy Conrad  
sconrad@fvshopper.com

The public is invited to attend the Ribbon Cutting and Grand Opening/Open House celebration of AM Kitchen & Bath Residential Remodeling on Thursday, October 19th from 4:30 to 8 PM at 728 East Veterans Parkway, Suite #116.

Refreshments will be served, prizes raffled off, and exclusive promotions revealed for all guests in attendance.

Formerly, in rented office space at the north end of Yorkville on Commercial Drive, Owner Adam Ludwig has designed a 1600 square foot, sophisticated showroom with beautiful displays, a state of the art design center, a glass enclosed meeting room and offices. Adam and Office Manager Corrin Roach want to express appreciation to their amazing customers, vendors, friends and family. They are so excited that the growth of their business has allowed this move to a new, remarkable showroom.

The company is a one-stop destination for all manner of home remodeling from a simple makeover to a complete remodel, from the basic to the elaborate. Expert designers will meet at a client's home and offer suggestions for improvements, using high quality materials while giving attention to a specified budget, innovative designs and excellent craftsmanship – all hallmarks of AM's work.

Specialists in kitchen renovation, AM can provide an update which will merge looks, design and function into a space that the whole family can enjoy. Services include a layout design, cabinet and countertop selection and installation, necessary plumbing, electrical and lighting, flooring refinishing or installation, painting & trim work and installation of appliances.

Bathroom renovations can range from luxury Master Suites to Guest facilities. Floor plans can be changed; bathtubs, sinks and showers re-arranged and installed; new cabinets, vanities, fixtures and flooring can completely alter and improve these important rooms of a home. Replacement of Windows & Doors can add energy efficiency and safety and produce a more comfortable indoor environment. The remodeling of basements and additions can turn wasted space into living quarters and give new life to an old home.

Showroom hours will be Monday through Friday, 9 AM to 5 PM, Closed Saturday and Sunday.

Check out their new website, [AMKitchen.com](http://AMKitchen.com) for more information. On October 19th, visit the new showroom adjacent to Mike & Denise's restaurant on the east end of Yorkville. There is ample off street parking for your convenience.
