3 Continuing Education Hours: Motivational Interviewing (MI) is a collaborative, person-centered, guiding conversation style to help strengthen a person's own motivation to change. This training will introduce participants to Motivational Interviewing and will cover the underlying mindset, core skills, and methods of MI. Participants will engage in learning through a blend of lecture, group discussion, simulation or videos, and practice opportunities while increasing their capacity and confidence to address behavior change with patients.

The Continuing Education Course is FREE to all Dental Professionals.

This Event is made possible by the Arkansas Cancer Coalition & Arkansas Dental Hygienists' Association.

Snacks & Drinks provided.
