BoxRun recognizes that each person, school, boxing club, runner or business may have their own great ideas on how to fundraise in their own community. We are open to your ideas and here to support your efforts every step of way. Email us to get involved.

If you would like some fundraising activity ideas email us and someone from the BoxRun team will be in touch to suggest ideas that can get your school, club, community or business involved in the fight against cancer. We look forward to hearing from you and sharing in the fight.

Sincerely, Mike Strange
