

Distillery permit, production and sale process

Before beginning operations businesses must first obtain a federal basic permit or brewers notice issued by Alcohol and Tobacco Tax and Trade Bureau (TTB), a state ABC permit and a City/County business license.

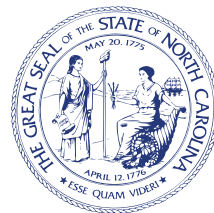

North Carolina's Alcoholic Beverage Control Commission requires federal approval of the applicant and proposed product label, a completed state application and payment of a \$300 distillery permit fee. (for more information see http://abc.nc.gov/permits/application_process.aspx)

All spirits sold in North Carolina must be listed with the state ABC Commission and shipped to ABC stores from the state warehouses.
