“Dillon Jones was a resident at The Children’s Ranch in 2015. Even then he had all the natural attributes of a young man destined to love the Lord and protect his country. One particular pair of house parents, Jon and Nancy Dawson, resonated with Dillon. The Dawsons love Jesus and Dillon fit with them like a hand in a glove. Jon and Nancy continue to stay a forever family for this special young man. Dillon transferred from The Ranch to live with his grandfather in Oklahoma, where Dillon faithfully continued to follow Jesus and attended JROTC for

his future admission into the Marines. Dillon has a gentle, yet commanding stature about him, humble and joyful. The young people that come to the Ranch come because they need extra support, encouragement, discipline, love, nurturing, kudos. Dillon would go up to a saddened co-resident and encourage them to get a better attitude. “*How do you do that, Dillon,*” a young girl asked. I was privileged to be nearby to hear him say, “*I try to make the very best out of every situation*”. Doesn’t that remind you of the verse Romans 8:28? “

*And we know that all things work together for good to them that love God, to them who are the called according to his purpose.”*

Thank you, Lord, for your touch on Dillon’s life.  
And thank you, Dillon, for heeding the call. GOOD JOB SOLDIER!”
