Fire Engine/fire Department

No fire Engine or fire Department in any state, county, country, municipal, town, city or others can be political in any level and elevation of this Earth or these Earths.

The US Department of Homeland Security (DHS) should never be in charge of Immigration, Citizenship, Visa, or have anything to do with Lives.

The British came into the Earth and stole my BRITT PAH State. That State was the record keeper of all the Lives and their migration from State to State. The British used this information to take away my children's homes, commerce, organizations, firms, steal their Lots and Plots and to take away the many States all around this Earth for thousands of years. The British controlled the Earth at one time because of this stolen property and information. Now, in this age, the Department of Homeland Security is the copy of the British, and they are using the same tactics until it becomes more evident. This is a humungous warning. I have been telling all the States that the DHS are illegal and must get out of the Earth and no one is listening. The DHS know where every naturalized citizen is in this country and when they return to their original state of residence. They use the immigration information to target the family and the citizen. The DHS is from the Heaven, they are spirits dressed in plastics, they appear and disappear without you noticing.

The Department of Homeland Security is the Interlope original wicked devels and Barak Obama generations. Their sister is the Pentilope and Donald Trump generations. DHS has taken over adoption of children from foreign countries (nbc.adoptions@uscis.dhs.gov). This is an extremely bad thing. The devels are the ones who abduct children, they use children for sex, they abuse children, they adopt children for plastic and rubber parents, they malnourish children, they kill children for fun, they use many illegal species (animals) and mix with the Earth genes, they make children in labs in the space areas, hospitals, and has various labs that are illegal.

Homeland Security has also taken over the management and tracing of Genealogy. This is another bad thing. They are the ones who use the Earth genes and mix with other species. When the Earth was found and opened, many of the Lives in this Earth was a mixture of animals, insects, and plants that was a kaleidoscope of experiments that occurred while they stole the Earth before it was completely finished. These devels have an interest in experiments, and giving them control of Earth Genes is disasterous (Genealogy.USCIS@uscis.dhs.gov). If you can remember that we have seen pictures of men and women with faces that looks like monkeys. That is one of the result of these devels experiments and mixing Earth genealogy and animal species together.

The Department of Homeland Security is in charge of Women issues, refugee, asylum, children problems, female genital mutilation, humanitarian concerns, child trafficking, and more. They are the ones who do these bad things, and they are untraceable and unseen. The devels are the ones who instigate spousal abuse. They are the ones who tear down the husband, zone the him out, and then use plastic effigy to beat up the woman, cut out her genitals, and then say it is the husband, as it is difficult to see who does these things without having the interconnection computer. Having the devels in charge of humanitarian, refugee, asylum, child issues, and child trafficking when it is they who do these bad things is non-sensical. They use the silver man that no one can see in day or night, and they commit these crimes and no one can see them (<https://www.uscis.gov/humanitarian>). All these problems are the result of lack, starvation, lack of education, drought, and no money. I AM the provider and chreator of Life. I provided

for my children, and these government insects refuse and put obstacles so they cannot get what I say they are to get. They refuse to get out of my Earth, and they are in the newsroom putting out statements and information as if they are in charge. I have laid the foundation, so:

Through the Harmony Associates, just plain Harmony or the Fire Departments:

- The Police must be shut down
- The Military must be shut down
- The national Guards, uniform forces, and Law enforcement must be shut down
- The TVs Must be shut down
- Announce on the Radios and the TV the telephone numbers and website to send in videos so we know what is happening
- Everyone stories must be told on TV, radio, cable, internet, intranet
- Residents international and national call in and tell their stories
- Everyone go to the banks for your frank machine or mint machine
- If the banks do not give you your money machine, they must give you \$100,000.00 every time you go to them and they do not have it to give to you
- Everyone go to the banks for your credit card with \$12,000.00 or pound free money
- If the banks cannot give you your mint machine or \$100,000.00 every time you go there, then they must shut down, as there is no reason for them to exist

Miscellaneous

1. The word TRUCE means WAR
2. The newspapers and TV stations, Radio Stations, etc. stop carrying real true news a long time ago. All they carry and report are related to the devels who are in Politics. The news especially the TV are the devels. Some of them are responsible for killing and torturing and terroring my children. When they report news connecting to these wicked things, the ones who report them, are the ones who are involved in carrying out the wickednesses, as they already know who and what to be done, and they have their information all ready for the reporting.
3. Since about 1989, the devels has been working on my teeth to destroy them. The devels destroyed one of my chewing teeth on the side toward the back and about 1995, I removed the tooth and put in a bridge. The devel broke that Bridge and I replaced it in 2012. In 2013, the devel broke that tooth and another one next to it, I replaced them in 2013. The devels broke those tooth again and I replaced them in 2017.
4. The devels has been going into my mouth, and I saw them, and they have very tiny microscopitic men with various tools chipping off my teeth. I saw them at different times since 2014. They came into my mouth a few months I believe in July 2017 and chipped off my side tooth. They also chipped off my front tooth on the bottom at another time since about July to August 2017.

Home Mapping/Copying

The devels use the vector to open our homes without our knowledge to see what is in our home and then they map it elsewhere. They get a house made up in the same manner and with the same thing in plastics. They cut us out of ourselves, then they reduce our body or copy us, then they make up the effigies that look like us. They put the reduced inner self inside a bag or a suit and connect the effigy to the reduced inner self genetics that is usually placed in the leg or center of the body. The devels then have control of this plastic make up of us, and they use them in targeted robberies, killings, abductions, and destructions. These devels already know where we are living and our schedule. They then go to our homes, remove us in handcuff, and put us in prison, for things that we have never done. They speak through our mouth and

our minds, and they say the things that we do think or say. They speak through our mouth to get us convicted, put in prison, a place, where the devils can terror us all our lives.

Judges

It is important for you to know that most of the Judges are Plastics or Rubber and they are federals. The highest courts have majority of Plastics, next is the State Courts, and the local courts also have them as well. The supreme court Justices are Plastics. Many of these judges have never done a law course. They rely on others to do their writing and they have many inside of them who do the reading and speech work. I have asked some of the attorneys where they get the degree certificates. They said those who give them the job provide the degrees, and they just put them up and pretend they are legitimate. Many of them also do scientific work, movie acting, investigation and a variety of unrelated work and they have many copies of themselves.

Courts

There is very limited use for courts: only for contract purposes and that is already outlined in the Articles. There is not much work for the court to do as there is no criminals in their Earth only the judges, the federal governments, State leeders, City Leeders and other municipal leeders are criminals. Many of them sit on the benches when they are representing a case otherwise they are out there doing "WICKITNISS". Their wickednesses that they are other there doing brings in new prisoners. So, they time the events on when to do wickednesses and how to handle the cases from the bottom until they reach the top for them to decide and for a verdict to be passed. They work with Homeland Security in doing many child pornography and putting pornography on a person's computer and then arrest the person for something that the government did. The devils take over the persons mind and body, then they put themselves in their body and tear them down. Then they speak garbage from their mouths, so they appear mad or in contempt of court. Then they take away the person's job and property, and the person ends up losing all their belongings and their life is left behind.

The Judges are also involved in actually trafficking the children from areas they caused to have lack and called it "child trafficking". They also work with others they quarantined and refuse to let them out of confinement, and used many to prepare counter band drug for trafficking wherever they want and whenever they want.

Police

What I have noticed is that there is no work for the police stations or for the police to do. The police supports the plastics, rubber, tremoline leeders and the police works for the devils. Therefore, they come up with illegal procedures. The police stand on the side of the road trying to catch speeding vehicles. For the vehicles to speed, the devils gets inside your vehicles and steps on the speedometer to expedite your car beyond the normal speed. When they are doing these wicked things, your mind is not registering until you see the police. The devils creates events connecting to you that will either delay you or will cause an emergency that needs your attention. You get caught up in trying to solve the problem, and they make sure that you should get a ticket, so they get in your vehicle and overpower your mind and the vehicle.

Most accidents are planned, and the insect devils use their fingers to bring the vehicles together to create a crash accident. The finger they use is just like using a phone camera and then using your fingers to expand or to reduce. They use their fingers and time cut to draw the vehicles together and create an accident. Creating accidents give the police work to do and give the courts and the attorneys work to do. If you notice, immediately after an accident, many letters from various attorneys come to your mail boxes soliciting their expert services with a cost/charge to take on your case to get you free from the court system.

The Miami International Airport TSA is connected to the Police, and the police are connected to the University of Miami Airport division who are conducting experiments on genealogy and other wickednesses. The police prisons are connected to the attorneys and the Courts, and the courts connected to the State of Florida, which does not exist as the plot called Florida is cut away and destroyed. As you can see the police and TSA generate work for the others and so my children and me experience terror and horror all across this Earth, because of the governments from the bottom to the top.

Attorneys & Others

Attorneys and others do not use Federal Readers or any type of Readers to help you read and understand my documents. You will not get any knowledge or understanding, if they help you to read or to understand.

Fox, Time Warner

Since about the middle of this year, Entertainment Fox and many others used many high beams, vectors, zoners, scanners and many high-powered equipment to tear open the Earth as they wanted to get out. They stretched the earth like a plastic balloon being blown up. Many deaths occurred as they destroyed each other in the process. Fox is string or cable wires covered over by jacket and pants. Fox TV and Entertainment is dead since about June outside the Earth. There is no return of him to the Earth, or to the creations. He is dead, dead, dead, dead.

Time Warner was also involved in one of these tearing and bursting out of the Earth. All the TV stations have many satellite equipments that they zoned in to find anyone anywhere. They have many control on the satellite and they use it to control any person how they want them to act, to speak, or to behave and they can use it to cut up, destroy, kill, abduct, choke anyone and much more wickednesses. I saw a very humongous looking person with a very flounced dress, then when I looked at it closely, I realize it was one of the satellite they turned inside out and put a head on it and it appeared like a dress. It has so much power it could more than move a mountain. All these TV, Movie and other devils they all walk in the air like they are walking on the ground, and they can walk on your head and you do not know. Time Warner is dead since about June and he is not in the Earth anymore. There is no return of him to the Earth, or to the creations. TIME WARNER IS DEAD, DEAD, DEAD, DEAD.

Universal Entertainment, 21st Century Fox Entertainment, Warner Brothers, Spectrum TV and Communication, Frontier Communications, Frontier Inc., and the other entertainment and communications all over this Earth are all dead and never to return to this Earth, these Earths, creations, in no form and no presence or existence. They are dead, dead, dead, dead.

On Bay News Nine, Bright house TV that Donald Trump is using to showcase his administration and renamed Spectrum, there is a woman whose name is Rachael Davis. Who is she? and is she plastic or what? Is that Ivanka Trump alter Ego? She was a newscaster from January to maybe now, so I want to know who is using my TV stations and what is she doing there? Bright house TV is now Paulett Bright House TV Network, now. This TV and communications networking stations must be taken over with Harmony Associates or just plain Harmony:

Fox & Warner Cable or Strings

Time Warner, Fox, Universal Entertainments and other communications stole power and authority, so they can be free to get inside and outside the Earth whenever they want it to be. They tear down the

chreations, they use extraneous power and strength to tear down the Earths so they can be above the Earth and they can see the dirt. When they tear down the Earth, they use the power to twist and turn the top of the earth, and it expand until it blows and burst, and they truly get hurt. They are blown to bits, dismantled, and dischevelled, and they said, we are sooo, but we do not want to gooo plaastics, as electricity, heat and plaastic do not work. So, we rather be cable and strings instead of plastics and other things. So, me no want no plaaaastic.

Federal Weenies

Federal, Republics, Republicans and others, you are all teeny, tiny, wheeney peeney (penis). You want everybodee to know you have eee (it). So me a tell them bout youuu and What you have to dooo – so you feel and look like everybodeee.
