

LV VIKING BOOSTER CLUB

ONE Club for ALL Sports

Athletic Scholarship Info Sheet

The LV Viking Booster Club is a 501(c)3 charitable, non-profit organization and was founded to help serve and support the Lago Vista Independent School District Athletic Programs. The Club's purpose is to enhance the sharing of school spirit while also promoting unity within the surrounding Lago community and provide morale as well as financial support.

Booster members are moms, dads, grandparents and neighbors working together to raise funds for both the LV Middle School and High School Athletic Programs. It takes all of us volunteering our time and effort to successfully support our student athletes. The sports action is happening all of the time and at many places! The LVVBC operates the concessions during volleyball games, football games including the grill, basketball games and at track meets (Viking Relays). For the 2021 Spring season, the Booster Club is also operating concessions during the baseball and softball games. As an active member of this organization, Booster members agree to volunteer their time for at least two sporting events. Concessions are the Club's biggest fundraiser and it's one of the reasons the LVVBC is able to offer a scholarship program.

Funds raised by the LV Viking Booster Club help provide student athletes with:

- Scholarships for graduating Senior athletes;
- Athletic equipment needed in ALL sports for both the Middle School and High School; and
- Additional equipment needed for the various sports fields and gyms

Senior athletes who qualify for an athletic scholarship:

- Families must be active members of the LV Viking Booster Club.
- Parents who are active members must have paid the membership dues and have volunteered in our fundraising efforts.
- Applicants must have participated or are currently participating at the VARSITY level to be considered for a scholarship.
- Applicants will need to complete and submit **both** the LVHS General Application for Local Area Scholarships and the LVVBC Supplement by the due date. Scholarship applications are available in the Counselor's office or at <http://www.lagovistasports.com/forms.html>
- Applications are always due the Friday before Spring Break (March 12, 2021).
- **No late applications will be considered.**
