Greetings All!

The TCA Annual Reunion is fast approaching and I am looking forward to seeing many of you there! For the 5th year we will be at Pinkham Notch, which offers you a comfortable place to stay, good meals, and opportunities for hiking and other recreation. See you soon!

By now I hope you have all received ***Chips & Clippings***. If not, please email me your address so we can update our records. But, you don't have to wait for a mailed copy, you can also read it on-line at the Web site: [Chips 2014](#)

In 'Chips' is a questionnaire we hope everyone will complete. We have already received some responses (we will be sharing the stories you provide), along with much needed dues payments and the first contribution to the Seacoast to Summit fundraiser.

Tom Lisco (1956-59) wrote about 'Chips',
What he (Ben English) does not mention is the trip we made to Imp where we drove a long way up that trail and then left the Jeep while we continued up the trail to work in the Imp Shelter area. When we got back, the Jeep wouldn't

start. There was a crack in the battery and the fluid had leaked out. We then walked to Gorham to get a new battery which we then carried litter-style up to the Jeep.

Another great story!

Contact me for more info (coachwhiton@maine.rr.com).
See you at Pinkham!

Foo,
Craig Whiton

OHA Annual Fallfest! Saturday, November 1st

OHA President Lawrence "Stroker" Rogovin writes, *Please spread the word among your members (and TC alum farther afield) that the OHA annual Fallfest is fast approaching and will be held on Saturday, Nov. 1, at the AMC's Highland Center. I know you folks have your own reunion shortly after ours, but we'd love to have anyone who wants to attend both!*

You don't have to be an OH member to break bread, catch up with old friends, and share in the camaraderie. There'll be acoustic music jams both before and after the main show. If anyone has an acoustic instrument and wants to make some noise, they can join us in Thayer Hall between 4:30 PM and 6:30 PM, and after the official close of the meeting, around 9:30 PM. All abilities welcome.
