Dear Trinity County Fair Association Member,

Well, it's that time of year again to renew your membership to the Trinity County Fair Association. We are striving to get all membership renewal dates to coincide with the first of every year. This is easier for us to track, maintain and possibly provide you with year-round fair event discounts. So if your annual membership doesn't usually come due until later in the year we encourage you to renew now during our January membership drive. Last year at this time we were able to increase our membership by almost 300%. By doing this and continuing to seek more members we are able to provide residents of Trinity County, (and hopefully beyond), more interesting news regarding your Trinity County Fair and Event Center. We are currently working on a monthly newsletter, "Fair Buzz", which will keep you informed as a member of important and interesting goings-on at the fairgrounds (enclosed).

You may already know, but it deserves repeating, our 2016 Fair was very successful with over 50% increase in attendance, a new carnival, more vendors and a fireworks celebration for our 95<sup>th</sup> anniversary (which was fully funded by donations).

Many projects and upgrades are planned for this year, including a Summer Concert Series from May to September; an expanded school exhibits participation program; and more paint and roof repairs. We will also need to find funding to replace our ice storage unit which has failed for the last time and replace the two old propane heaters in the Dining Hall with new energy efficient propane heaters.

While all this is going on we will also be working with the California Dept. of Food and Agriculture (CDFA) and California Fairs Financial Authority (CFFA) on the two deferred maintenance grant projects, abatement of the asbestos siding on the Dining Hall and Fire Sprinkler Systems in many of the fair buildings. These two projects will need to be completed before June of 2018.

So, once again we ask for you continued support and assistance in keeping are great little country fair alive and flourishing! Thank you very much for all that you do to help us!
