

We come before you O' Lord and give "Thanks" for all of your blessings. Our prayer for each and everyone here today is to keep horse and riders safe, to have everyone act in a sportsmanlike manner, to enjoy our fellowship together and ask that everyone have a safe return home.

In Jesus name we pray, Amen.

I pray to you O' Lord as my horse and I race today, 1 right and 2 lefts, you will keep up both safe. It's not whether we win or lose but how we cross neighbors and always speak with a kind heart.

In God's name we pray, Amen.

Written by Director Kathy Stallings and dedicated to the Association by the 2004 Board of Directors, for the promotion of God, good sportsmanship and the sport of barrel racing.

- A. Both contestants are members of the same immediate family who reside in the same household (husband, wife, children and grandchildren 21 and under). Children and grandchildren 21 and under who are attending school away from home, but who reside part of the year with their parents or grandparents are included under this rule.

- C. Any unpaid fees or outstanding debt(s) from previous CGRA functions must be paid before entering another CGRA function.

III. Jackpot Information

General Information

- A. No re-run will be given for broken equipment.
- B. Only the horse competing will be allowed in the arena with the exception of the Eight (8) and under class.
- C. Excessive training during competition will not be permitted (i.e. circling the barrels and/or poles).
- D. The ground will be raked or smoothed every five (5) runners unless ground arena conditions warrant otherwise. In that case, the board would discuss and make the decision before the race starts as to how many runners constitute a rake. Additionally, the ground **will not** be raked or smoothed prior to the start of a new class that does not fall on the designated number of runs.
- E. A contestant may circle their horse in the arena prior to crossing the timing light, however once the contestant crosses the timing light the competition run begins.
- F. One entry constitutes a class but a “NO TIME” does not constitute a win. In this situation the contestant will receive no points and the money will go back to CGRA.
- G. NO REFUNDS will be given after the class has started, with the exception of the following:
 - Should a default, due to CGRA, occur during a contestants run, the contestant has the option of running at their preference **or** receiving a refund.
- H. In the event a show has been started and needs to be cancelled due to an unforeseen condition, i.e., weather related, only entry monies for events not completed will be refunded. In no case shall the office charge(s) be refunded.
- I. If a contestant is not ready, within reason, when called they will forfeit their entry and receive a “NO TIME”.
- J. An electric eye will be used at all functions and shall be the official time. Times will be recorded in thousandths. At the discretion of the Board and Directors a flagger may be used as a backup timer or as an official time in the event that no electric eye is available.
- K. In the event that a contestant enters more than one horse in a particular division the points, or money, will count on the highest placing horse only. However, the contestant may receive more than one payoff.
- L. Absolutely no alcohol permitted at any CGRA events.
- M. No rider substitutions will be allowed in any class except the Novice Horse class. Secretary must be notified of substitution of rider in Novice Horse class before the class begins.
- N. Running out of order will result in disqualification “NO TIME”.
- O. Open Barrels and Open Poles Only - No changing of horse positions drawn after the final draw.
- P. Must provide the names of each horse to enter and run in the jackpot.
- Q. No refunds after 1st horse runs at a regular CGRA race.

Entry Information

A \$10 office charge will be added to all entries at regular CGRA events. At the discretion of the Board, the office charge may be adjusted for added money events only.

CGRA Members Only - In the event multiple members of a family, as addressed in Section 1, enter an event, the \$10 office charge shall be assessed to only one entry.

Exhibition Only entries will be subject to the \$10 office charge. Should the rider decide to enter a class they will *not* pay an additional office charge.

If the jackpot secretary *uses* a computerized program, the contestant will complete an entry form only. The computer program will compute the draw; the running order will be announced prior to the start of the jackpot.

If the jackpot secretary *does not* use a computerized program, all contestants will draw for all positions at the time of entry. If a contestant is entering more than one horse, or more than one contestant is riding the same horse, the contestant(s) has the right to draw at least one additional chip in an effort to split the runs, or may choose to be placed at the end of the draw.

Once the draw has been announced, any additional entries will be added to the end of the draw.

After the first horse in the class has run, no further entries will be taken for that class. If a contestant is missed for the draw before the class starts the class will be redrawn. If they are missed after the class starts the contestant will have the option of running at the bottom of the draw or receive a refund.

In the event a contestant is running more than one horse, they may be split at the time of the draw. They will have to be in the draw on their first run and allowances for redrawing to separate runs.

Positions cannot be traded by contestants after the draw.

Contestant(s) that choose to enter multiple classes, should horse and/or contestant meet eligibility rule(s), (i.e. novice and/or youth), may choose to make **separate** runs in the Open, the Novice Horse, the Novice Rider, the 8 and Under, and/or the youth; this means that the contestant will run their horse(s) in each class.

******* OR *******

Contestant(s) may choose to make one (1) run in the **first class entered** and may carry that time **forward** to any other class(s) entered; this means the contestant will run their horse(s) only one (1) time. **If a contestant chooses this option, they must notify the secretary, before their first run that they are going to carry over their time to any additional designated class(s).**

A “NO TIME” will carry forward to all “carry-over” classes designated at the time of entry. Furthermore, the contestant will not be able to re-enter any designated “carry over” class(s) on the specified horse. They may, however, pay an additional entry and enter classes on other horse(s), which were not already subject to the “carry over” request.

Contestant(s) must fill out entry form, with the jackpot secretary, to be considered as an entry.

Insufficient checks will be subject to the current banking charge(s) imposed on CGRA and reimbursement must be made prior to entry at the next function or the contestant will not be allowed to run.

In the event a contestant’s entry check is returned to CGRA as “insufficient”, “account closed” or “funds not available”, the contestant will no longer have the option of paying by check and all future entries must be paid in CASH only.

Replacement checks, due to loss or damage by the contestant, over \$25, will be subject to the current banking charge(s) imposed on CGRA for a “stop payment” fee. The replacement check will be issued only for the balance of the original check amount, less the stop payment fee(s).

In the event a check under \$25 is replaced and both the original and replacement check are presented to the bank for payment, the contestant will be responsible for reimbursement of the check amount to CGRA. The reimbursement must be made prior to entry at the next function or the contestant will not be allowed to run.

The president will be allowed three (3) free exhibitions and will have the barn fee and worker fee waived at each approved function.

Novice Horse 4D Barrels –

This class is open only to novice horses having won no more than \$500 in lifetime earnings at any barrel racing event for all owners. Lifetime earnings are to include cash and/or any prize(s) valued at \$500 or more.

(In the event a saddle is won at any event, the novice horse must have contributed at least ½ of the open points or monies, to be credited with the “saddle” earnings.)

Horses must be declared at the beginning of the point year or first time entered based on lifetime earnings. Contestant(s) must sign a declaration statement of the exact amount before competing and must designate the horse’s name on the entry card.

This class is open to all riders.

Entry fee: \$20 with 75% going into the jackpot.

The Novice Horse 4D Barrel class will be run and paid out as a 4D divisional class.

A knocked down barrel constitutes a “NO TIME”.

Only one rider, at the same jackpot, may ride a novice horse. Money won is counted on the horse only and is **not** a horse-rider combination. In the event that the horse owner is unable to compete, another CGRA member is eligible to ride the horse to continue to accrue money won on the horse. Money will continue to count towards the End of Year awards on a novice horse that is sold, provided a CGRA member rides it.

Once nominated, the novice horse may be entered in any other class or outside events yet remain in the Novice Horse 4D class until the end of the competition year. Subsequently, all accumulated earnings, at the end of the competition year, will determine the horses’ eligibility for the class the following year.

At the discretion of the Board, any member(s) running a horse out of class (one that does not qualify as novice) may be assessed a \$150.00 fine and required to return their paybacks to the Association.

The End of Year awards will be calculated on money won at CGRA Novice Horse 4D events only.

Novice Horse 4D Barrel Class will be paid out accordingly:
