## About Us

Fun with English is a small family business. We have been open since 2016, bringing the joy of learning English to over 250 children between the ages of 3 - 18 years old, over the years. We also have a small English Bookshop/ Showroom, where you can buy supplies to further your child's reading pleasures. We run summer and holiday camps as well as run various afterschool English courses during the school year.
