-----	--------------------------

A Note from Rick: Markets were a bit up and down this week at TLA. The calf market took a big hit this week, in part due to the extremely hot weather we've had over the last 4 to 5 days. Calves really showed the extra stress from the heat and there were a lot of calves that didn't sell very well. This market has been really up and down and I look for that to continue throughout the summer or until something changes in the Holstein Steer market for bull calves or the Dairy market for heifer calves. Dairy cattle were steady along with Holstein Steers, while butcher cows were just a little stronger again this week. The feeder markets for both heifers and steers was stronger in part due to some extra buyers wanting cattle for pasture. The Pony Sale on Monday was a dandy. We had a nice crowd all day, despite the heat wave and the market was good from start to finish. Thank you to all of the consignors, buyers and bidders for making it a great sale! We are excited about our 2nd Annual Dutch Cross Classic. This is the 3rd Dutch Cross Sale and the 1st in the new arena. Come check out TLA this summer!
