IMA Weekend Recap

We are only as strong as we are united, as weak as we are divided.

Recap

The difference between
A Man
and a
Gentleman
@The.Gentleman.Wolf

A man tries to make his mark. A gentleman strives to leave a mark. A man accepts a favor. A gentleman returns the favor. A man gives orders. A gentleman inspires. A man fits the mold. A gentleman tries to break the mold. The differences are many, but it all comes down to this: a man takes the necessary amount of steps. A gentleman takes the extra step.
