

## MOSS HALL NURSERY SCHOOL NEWSLETTER

November 2019

### Suitable Clothes for Nursery

As the weather turns colder remember to dress your child appropriately for nursery. We go outside in all weathers so your child needs a coat, a hat and gloves. We do not allow scarves to be worn because these can be dangerous when children are climbing.

Please write your child's name in their coats and hats.

It is inevitable that children will get messy at nursery so please don't send them in their best clothes. Children do wear aprons for messy activities but they may still get paint or glue on clothes. The best way to deal with this is to rinse paint off the clothes with cold water and rub the area with a soapy wet sponge before putting them in the washing machine.

### Thank you for supporting the Halloween cake sale

We raised £150.65 at the cake sale. Many thanks to everyone who made and bought cakes. The money raised will help us buying resources for the school.

### Garden Project

We really need parental help to maintain and develop our lovely garden.

Maria (Nursery Nurse) and Jane (Governor) are setting up a garden project and are looking for volunteers to come in on Saturday 9<sup>th</sup> November to work in the garden. Please see notices on notice boards around the nursery for more information.

### Time keeping

The school opens at 8.45am and we have a flexible arrival time until 9.05. After that time the registers are finished and the children are recorded as late. Please make sure your child gets to school on time to make the most of all the learning experiences available.

### **Making use of your waste**

We would be grateful for the following items, which the children can use creatively in the nursery.

- Plastic bottles & containers in different sizes and colours
- Plastic or metal bottle lids of different sizes and colours
- Unwanted costume jewellery
- Old large picture frames
- Disposable cups & straws.

If you have something else you think we might like, please ask your child's key person.

We are also looking for an old wooden dolls house to transform into a home for bugs.

### **Tea & Cakes with your child's key person**

Now that the children are settled in we are inviting parents & carers from each key group to come and meet each other and the key person. This is a chance to meet the parents of the children that your child is playing with and to hear from the key person about what the children have been doing in nursery. Invitations will be sent out soon with the dates for these meetings.

Tea & cakes will be provided.

### **Campaign to save maintained nursery schools**

Many thanks to all the parents and carers who have signed our petition to the Prime Minister. We have sent this on to the School Cuts campaign.

Attached to this newsletter is a petition; we would like you to ask friends and family to sign it. It is very important that we make clear to the government how important nursery schools are and that they need to be properly funded.

Thank you for your help with this.
