Orlando, FL – May 10, 2018 – Vasaj Communications, a premier public relations firm based in Central Florida, has unveiled BEYOND WELLNESS, a community platform designed to honor and celebrate stroke survivors, their families, and caretakers during May, National Stroke Awareness Month. The event will offer a combination of messages of inspiration and hope, lifestyle empowerment tools, and business networking, through our expo.” BEYOND WELLNESS will elevate the discussion of overcoming caregiving stress, with tips for staying emotionally and physically well. It will also heighten the awareness of methods of empowerment for stroke survivors and their circle of care, with support needed to thrive again.
