

Won't you please advertise with  
**Erskine Lakes Aquatic Club**  
and help support our team?

On August 4<sup>th</sup>, our swim club will host an annual Invitational Swim Meet. Hundreds of swimmers and their families from all around northern New Jersey will attend this meet.

As part of this event, we produce an invitational swim meet program and ad journal. We ask you to consider placing an advertisement or encouraging message in this year's journal. Our swim program represents a wholesome and healthy activity for the children in our community. Children from the ages of 6-18 learn good sportsmanship and teamwork.
