

Friends and Family,

Here at P.B. Jams, each pb&j is made with our fresh, house-made peanut butter and paired with the most tantalizing flavors to satisfy the most curious of taste buds. However, if peanut butter is not your thing, we have a great selection of not so nutty, but more than satisfying, sandwiches to satisfy your belly, too! Just always remember....

When you're in this house you're family. And in this family we encourage one another.
