RE: National Railroad Health Plan Dependent Audit

Dear Sisters and Brothers,

Recently you should have received a notification from your healthcare insurance provider along with an email from this office advising of an audit being conducted to determine eligibility of spouses and stepchildren. This audit applies to All IBEW members covered under the National Healthcare Plan who have spouses and stepchildren on their insurance.

We were notified that there has been a very low response rate as of this writing.

The audit states that anyone who hasn't submitted the proper documentation for their spouses and stepchildren by March 31, 2020, will see their dependent's coverage dropped. Please ensure that our Members know that it is imperative that they respond to this audit.

Anyone who has misplaced their audit packet may go to WWW.YourTrackToHealth.com or by calling the Railroad Enrollment Services at (800)753-2692 to obtain the information necessary to complete the audit.

I can't stress enough; how important it is that our Members receive this information. The audit covers all crafts. Failure to comply could result in devastating financial consequences to our Members.

Sincerely,

Jeff Allred
General Chairman
