

Facilitator Reflection Sheet Before the *On the Journey Retreat*

Thank you for accepting the grace to facilitate this retreat for women in your area. In order for us to continue developing this retreat movement, we need your feedback. Thank you in advance for taking time to record your reflections on the back of this form and **send them to us along with the Participants' Feedback Forms** so we can make improvements in the content, process and themes.

We will appreciate feedback from each team member individually. We hope that you will plan a follow up meeting to discuss the retreat, review the participants' feedback and share your completed form with each other so you will continue to grow as a Retreat Team.

It is essential that you take time to reflect on your own skills as a facilitator as you attend the planning meeting. Select three areas you want to focus on, such as:

For a **beginner** it may be:

1. Creating a prayerful, reflective environment inside myself and in the room.
2. Staying on the time schedule.
3. Presenting the material clearly.

For the person **more experienced** giving retreats it may be:

1. Focusing on a particular section of the retreat (i.e., the prayer ritual).
2. Staying focused on the topic.
3. Creating a positive theology of God's unconditional love and presence in our lives.

The three areas I want to focus on are:

1. _____
2. _____
3. _____

After the retreat, reflect on how God's grace was present in the experience of facilitating the retreat.

Please send the completed Participants' Feedback Forms and both sides of this form to:
