She thanked all of us for the support, the prayers and cards in this difficult time for her family.

Officers Reports:

President Sherry Marecek. Her report is on pages 9-11. She told everyone how glad she was to be here; she said "believe me, you don't know how happy I am to be here". She thanked everyone for the well wishes, the cards, the phone calls, the prayers she received when she was ill and in the hospital. Her theme this year is "Reach For The Stars". Set your sights high and reach for the stars. She thanked the auxiliaries that have held functions for her project Florida Sheriff's Youth Ranch Safety Harbor. She reported that almost \$3,000 has been raised so and she also heard last night that Service Foundation is going to donate another \$1,000.

1st Vice President –Membership - Meltonia Presley Her report is on pages 12-15. Please read it at your leisure. She reminded us all that if we've moved, changed phone numbers, changed e-mail address, please make sure that the correct information is on all the reports you send to Department Officers with the correct number of copies. Take the time to look at the Forecast

and decide which awards will best suit your auxiliary. Keep in mind the deadlines and criteria. Her theme this year is Membership Means Success (M&M's) Let us all bring an old member in by the end of the year but to bring a new member in we must always be ready. She asked that all of us take out our Membership Application and asked the Pages to check those applications and those that don't have one, to pay a \$1 penalty. She said we should always be ready to sign up a new member. She also asked that we sing a jingle to the song "Frozen". The words are "let it go, let it go, we don't want to fade away. Let it go, let it go, get a new member in today". The body sang the jingle as best as we could.

March is Paws for the Cause month, please plan your functions. She also discussed counting of volunteers for a project on your Service Reports. You can only count the people who are working on that project not all the people who attend or participate in that project or function. All Service Reports must be original reports with dates, what it is for and who worked on that function with the Chairman's name and correct phone number and address.

Apply for awards because if you don't apply, you can't win it. Remember that anything you do for your Post or Post members is not reportable. Reports must be in her hand by May 5th. She would like to speak with someone from Auxiliaries 15 and 893 after the meeting.

Her report is on Page 41; please go to it and draw a line through Auxiliary #50; she has their Bylaws. The remaining Auxiliaries that are listed on that page have to have their Bylaws in before Convention. Revalidations are due to the Executive Secretary by May 19th. Your Bylaws are part of the revalidation. You must read your Bylaws at one meeting and then at the next meeting, read them again and vote on them. You will need a Bylaws Cover Sheet to go with them.

The Department Officer's' Training for all elected and appointed officers will be July 6-8, 2018 at the Holiday Inn in Ocala.

Scholarship Officer – Jan Northcutt returned to the Podium. She apologized for not putting a donation of \$25.00 from Auxiliary #8 in the report in the book.

The members that did not renew before the October Score card was filled out were not counted in renewals. She reminded us all to use the new forms when sending in memberships; the ones with her name and address on it. Her report is on Page 42. Please read it; the information in it is very important. The Patrons Page is being passed around, please put your name and \$1.00 on it and bring the one in the packet to your Auxiliary for more people to sign up and donate. You don't have to be a member to be on the Patrons Page.

Recording Secretary – Susan Leverone. Her report is on Page 43. She reminded all that this is a large room and very hard to hear you answering Roll Call unless you speak up. If you are registered as an Alternate S.E.C. and your S.E.C. is not at the meeting, please notify the Executive Secretary before the session begins so that she can verify whose name should be on the Roll Call. I will try my best to complete the Roll Call as quickly as possible.
