Dear Friends,  
February 1, 2018

The Seymour Founders' Day Committee is pleased to announce that the **2018** beneficiary of the June 3, **2018** event is:

### The Seymour Historical Society

**The mission of the Historical Society is to preserve the history of the town of Seymour, CT for future generations. To fulfill this mission the Society collects and preserves records and objects that illustrate Seymour's rich past, and maintains the Katherine Matthies Homestead as a museum and the venue for presenting the Educational Speakers Series, the Student Educational Program, and the taping of the Oral History Program. It is a depository for the collection of artifacts that are vital to the town's history and maintains an active relationship with the community.**

We ask that you become a part of this community event while supporting such an important project. Remember this town museum is open for the entire town's enjoyment and maintained 100% by volunteers.
