

## Guilford County Council of PTAs Awards Instructions

**This Year Awards Ceremony will include both 2019-2020 & 2020-2021 School Years.**

*Please read these instructions before you begin writing your award submissions.*

### Instructions & Information for Awards

- The awards descriptions will explain who is eligible to be nominated.
- You do not have to apply for every award; download the required forms and then any specific optional awards you would like to apply for.
- **Every PTA** can receive an Honor Unit Award simply by meeting a point tally of the 200 minimum points! Every PTA should apply for this award.
- **Every PTA** that has had any membership growth is eligible to submit and receive the Honor Membership Award.
- **Our goal is to have every PTA or PTSA apply for at least ONE award!**

**Contacts & Dates:** Please contact Debbie Sivret, GCCPTA Awards Chair, with any questions via email at [AwardsGuilfordCountyPTA@gmail.com](mailto:AwardsGuilfordCountyPTA@gmail.com). **All submissions are due on Friday, April 30, 2021 by 11:59pm.** Award submissions will be accepted via email.

### Please note the following:

- **School names may not be used** in award submissions. Exceptions- Honor Unit, Membership and Communication Awards
- All award entries should be no longer than one page in length. Exceptions - Single Project and Service to Students may be two pages each.
- You must include your **school ID#** at the top right-hand corner of EACH page (see school ID#'s below)
- You must include the Award Title at the top of your entry (ex. Volunteer Award)

### How many submissions will be awarded?

- One nomination per category, per year, is allowed. That means you could potentially submit two honorees per category since we are celebrating both the 2019-2020 & 2020-2021 school years this year.
- Two awards will be given at all levels (elementary, middle, and high school) for "Volunteer of the Year", "Educator of the Year" and "Special Projects" for each of the past two school years (2019-20 and 2020-21).
- Though only one "Service to Students" award will be given this spring at all three levels (elementary, middle, and high school), nominations can include PTA programming for both 2019/2020 & 2020/2021 when writing the nomination.
- All nominations for 2019-20 and 2020-21 will be combined for one award per category, except for the three cited above.

### Schools must be in good standing to submit award entries:

- County and State PTA membership dues have been paid and be up to date.
- NCPTA membership database must be up to date and accurate.
- Annual Financial Review must have been submitted to the NCPTA.

**Tips/ What to include in your award submissions:**

- *The PTA Awards should describe what your "nominees" have done to support your school's PTA. Additional information, unrelated to your PTA, **will not** be judged if it is included in the award submission.*
- *All nominees must be a member of your school's PTA unit.*
- All awards should include **who** was involved, **what** happened, **how many** teachers, students and families were impacted by the activity or project and **how many** volunteers worked on the activity or project.
- **The PTA's National Standards for Family-School Partnerships are listed for guidance. Please note: You do not need to make specific reference to them in your award submissions.**

**Standard 1:** Welcoming all families into the school community—Families are active participants in the life of the school, and feel welcomed, valued, and connected to each other, to school staff, and to what students are learning and doing in class.

**Standard 2:** Communicating effectively—Families and school staff engage in regular, two-way, meaningful communication about student learning.

**Standard 3:** Supporting student success—Families and school staff continuously collaborate to support students' learning and healthy development both at home and at school, and have regular opportunities to strengthen their knowledge and skills to do so effectively.

**Standard 4:** Speaking up for every child—Families are empowered to be advocates for their own and other children, to ensure that students are treated fairly and have access to learning opportunities that will support their success.

**Standard 5:** Sharing power—Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

**Standard 6:** Collaborating with community—Families and school staff collaborate with community members to connect students, families, and staff to expanded learning opportunities, community services, and civic participation.

*Finally, the Guilford County Council of PTAs wants you to know how much we appreciate each and every PTA unit in Guilford County. Your dedication to our students makes Guilford County Schools a great place to learn!*
