Little Scholars Montessori
Consent for Technology and Digital Resource Use

Parental permission is required in order for your student to access technology and digital resources at school. Little Scholars Montessori uses a variety of technology and digital resources to enable and enhance instruction. With parent consent as indicated below, students may use physical devices, including but not limited to, computers, tablets, cameras, and television (all of which allow some degree of Internet access). Students are expected to use technology and digital resources in accordance to the Little Scholars Technology policy.

Technology and Digital Resource Permission:

☐ I GRANT permission for my student to use all technology and digital resources, both devices and web-based applications.

☐ I DENY permission for my student to use any technology and digital resources, both devices and web-based applications.
