### Informed Consent Minor

Thank you for choosing Life Cycles Counseling. This document is intended to describe different policies and procedures, State and Federal laws, and client's rights. If you have other questions or concerns, please don't hesitate to ask.

**Please read the following information and initial each section where indicated.** By initialing, you acknowledge that you have read and understood the information provided and that you agree to abide by the procedures indicated by Life Cycles Counseling.

#### Overview

\_\_\_\_\_ Life Cycles Counseling is an independent center, owned and operated by Marcel Gamboa, Licensed Professional Counselor (license number: 18855). Business hours are: Monday – Friday 9 am – 5:30 pm.

#### Services

\_\_\_\_\_ Services are provided to adults, adolescents and children. Families and couples are also welcome. Services are conducted in person and virtually. Sessions last 45-60 minutes and are usually conducted weekly or bi-weekly. Groups are also periodically available.

\_\_\_\_\_ If there is a 45 day lapse in services, your child's file will be closed. If you later chose to resume services, your child will be considered a new client.

#### Potential risks and benefits of counseling

\_\_\_\_\_ Counseling is a dynamic process in which no two people respond the same. Some clients improve as quickly as a few sessions, while others may need longer time (usually when lifelong problems or mental illness is involved). You child may learn some new things about him/herself, or he/she may experience difficult emotions that may seem overwhelming. For most clients, this is a temporary experience that in the long run, will help him/her get better. The progress of your child's treatment depends on many factors, included (but not limited to): his/her readiness for change, the compatibility of client and counselor, the dedication and completion of homework, and willingness to explore various sides of oneself. While the vast majority of clients experience improvement, you should be aware that there is a possibility your child will not benefit from therapy, or in extremely rare cases, potentially feel worse.

#### Emergencies:

\_\_\_\_\_ The counselor will make every effort to return phone calls within a few hours. However, counselors are frequently seeing clients back-to-back with no opportunity to check for messages, Life Cycles Counseling should not be relied on for emergency situations. Please call 911 or the crisis line in the county you live in.

\_\_\_\_\_ Please contact Life Cycles Counseling at 281-299-8607 (calls only, it is a landline), by E-mail ([MG@Lifecyclescounseling.com](mailto:MG@Lifecyclescounseling.com)), or replying '2' to the automated text reminder if you need to cancel or reschedule your child's appointment. (If you are seeing a Claudia Calero, call 281-806-5413). Life Cycles Counseling adheres to a 24 hour cancellation policy. If the client no-shows to his/her appointment, or he/she cancels or reschedules less than 24 hours before the appointment, you will be charged a \$80 cancellation fee to the credit card on file. Multiple cancellations may result in pre-payment request for services or termination.

### Financial Issues and Payment

\_\_\_\_\_ Payments must be made at the time of the session. There are no refunds for payments made. Gifts, bartering or trading services are not appropriate. If you chose to use your child's insurance, you should provide insurance information to Life Cycles Counseling at least one business day prior to your appointment to allow time for verification. If your child has a co-pay, you are expected to pay your co-pay at the time of the appointment. In the event that you have not met your deductible, the full insurance rate is due at each session until the deductible is satisfied. If you have a secondary insurance, you are obligated to disclose this information to counselor.

\_\_\_\_\_ Standard billable rate is \$130. Current discounted rate for private pay clients is \$120 for a 60 minute session with a fully Licensed Counselor, and \$80 with a LPC Associate. This will not require Life Cycles Counseling to verify your child's insurance. If at any time you chose to have Life Cycles Counseling verify and/or file with your insurance, the current, standard rate applies from that point forward.

\_\_\_\_\_ Client files and records are the property of Life Cycles Counseling. Client files and records will be maintained in accordance with current State and Federal laws and will consider the end date of the treatment episode as the basis of file destruction. **Life Cycles counseling does not provide Custody Evaluations or Expert Witness court testimony.** If I'm asked to produce a copy of client records, there is a minimum charge of **\$50 for up to 25 pages** and a cost of **\$1 per page** thereafter. Copy fees are due prior to release of record. If Life Cycles Counseling or Marcel Gamboa is subpoenaed by a judge to testify, the minimum charge is **\$750**, due prior to the court date, for any time up to three hours (this includes preparation time, travel, and testifying). Additional time is charged at **\$250 per hour**.
