

Dockside Electronics Winter Storage Electronics Upgrade Special!

Welcome to Summer! It's hard to believe that summer has just begun, however that means it's time to plan ahead for the 2017-2018 Winter Storage Season. Dockside is offering an exciting option to store your boat at our facility and receive discounted storage rates if you contract for an on board electronics upgrade. By storing with us this coming winter, you will save on labor time for your electronics upgrade being at our facility. We are located at Mystic Shipyard East in Mystic Connecticut. Mystic Shipyard offers full service for all your needs as well! This storage discount applies to winter storage only; all additional services are billed at normal rates from Mystic Shipyard. This is a one-time storage discount only and can be used for one season only. For questions please contact Tim in our office to discuss. 860-536-1919 To take advantage of this offer the below coupon will need to accompany your winter storage contract! We look forward to having you with us this winter!

SAVE Winter Storage Discount @
20% Dockside
Downtown Mystic, CT

Discount applies to winter storage only. No discount on any other services offered from the marina. This is a one time offer not to be used more than one season. Discount does not apply to electronics installation.
