

As of this morning, Gloucester County is reporting 490 positive cases and 1,905 negative cases of COVID-19. Pitman now has 14 confirmed cases ranging in age from 28 to 66 years old.

\* The New Jersey Pandemic Relief Fund will raise funds, organize, and coordinate resources to fight the medical, social, and economic impact of COVID-19 on New Jersey's most vulnerable. Please see the link here for Private Non-Profits or other needs to fill any gaps for other grant funding assistance. This is very helpful information for non-eligible applicants and ineligible costs under the FEMA Public Assistance Program. [www.NJPRF.org](http://www.NJPRF.org)

\*The Governor's Executive Order 125 establishes additional mitigation requirements and policies for NJ Transit in an effort to keep transit users and employees as safe as possible. A copy of the EO can be found by clicking [here](#).

\*For the fastest, most efficient service the Labor Department recommends that individuals seeking unemployment file online at [myunemployment.nj.gov](http://myunemployment.nj.gov). Also recommended is that applicants read the department's FAQs before filing a claim to speed processing by ensuring that the application is filed correctly.

Thank you to all of our residents that followed the Governor's directives and practiced social distancing today. A very special thank you to the members of Pitman Fire Company #1, Highland Chemical Engine Company, the Pitman Police Department, and the Pitman Fire Police who safely escorted the Easter Bunny around town. The joy and excitement on the faces of our youngest residents was because of you spending the better part of your Saturday afternoon to once again epitomize why "Everybody Likes Pitman."

Stay well,
