

Linda's Sailing Adventures Cancellation Policy

Linda's Sailing Adventures (LSA) understands that sometimes things arise in our lives that force our guests to cancel their upcoming vacations and/or plans. In the case of these events, we would ask that you notify us as soon as possible that you will need to cancel.

Following your cancellation, *we ask that you do everything that you can to find a replacement for your spot and LSA vows to do the same.* In exchange for that assistance, LSA promises to refund the funds that you have paid to date on your charter reservation less the following cancellation fees.

Please understand that, while we hate to see you not travel with us, the cancellation will cause us to incur a process that can be extremely time-consuming to find additional crew members at a later date. Thank you for your understanding about our policy.

Cancellation fee once a replacement has been found:

More than 6 months, no cancellation fee will be charged and 100% of the charter cost paid to date will be refunded.

Prior to 90 days of departure, a cancellation fee of 15% will be charged and the balance of the full charter cost will be refunded.

90 days prior to the sail date a cancellation fee of 30% of the full fare will be charged. The balance will be refunded only if a replacement has been found .

Within 30 days, your spot will be offered for any balance due or at a deep discount to fill the vacancy and make the boat kitty whole to cover expenses and no refund will be paid.

CANCELLATION FEES IF NO REPLACEMENT CREW IS FOUND:

If you cancel your charter within 90 days of the charter's departure date and NO replacement has been found, we will be unable to refund your charter cost.

Please note: We strongly suggest that our charter guests purchase travel insurance which assists policyholders with lost charter fees under certain circumstances. Please speak with your insurance company about their policy inclusions and exclusions before purchasing.
