FINE ARTS CLASSES – UNIQUE FEATURE OF SJV

The children have chosen the fine art based on their interest and hidden talent. Fine arts bring out the aesthetic and creative expression of the children. Sri Jnanakshi Vidyaniketan offers 29 'Fine arts' disciplines. We had stopped the fine art classes for three years due to Covid, from 2020-2022.

Every Friday the children attend these classes for one hour.

Visual and performing arts and other disciplines totaling to 29 disciplines like instrumental music, vocal music, folk dance, drama, public speaking, story writing, hand embroidery, cooking, baking, calligraphy, art and craft, Bharatanatyam, fabric painting, martial arts and Yakshagana are offered. Children attend these classes with lot of enthusiasm and interest.

49 professionals are outsourced to train the children. This gives an opportunity for the children to take this up as a hobby or even consider it as a career option.

Once in two years, 'Lalitha Kala Vaibhavam' (traditional cultural fest) is celebrated and the students showcase their learnings on the stage before the public. All the students from the classes 1 to 10 take up one of the fine arts and the same is exhibited.

Few photographs of the classes have been shown below, the photographs of the other fine art disciplines will be displayed in the forthcoming newsletters.
