Revision # 3

Note:

Like all proposals from the Laws Made Simple Group, this bill is designed to be accepted as is, without any changes in wording, dates, amounts and without any amendments. Most bills presented for consideration contain fewer than two thousand words. The Group requests that the Speaker of the House employ the "Up and Down" voting method for all its bills being offered for consideration. While our overall goal is to reduce federal expenditures, we rely on the expertise of others to calculate the real cost of this proposal.
