

Chi Alpha Mu

Chapter Grant

Chi Alpha Mu is offering grants of up to \$250 per active chapter to support chapter projects that inspire interest in and promote the enjoyment of mathematics. No chapter will be awarded more than \$250 in a five-year period. Funds are available on a first come/first served basis until our budget for these grants is depleted for the fiscal year. There is no deadline for the application.

Please note that there is no promise that every grant will be approved.

Please inquire before incurring expenses, when possible, to determine what funds we have available. Once a grant is approved, receipts or invoices for expenses should be sent no later than one month after incurring the approved expenses. Funding will be adjusted to cover actual expenses. Please estimate high, since once an amount for the grant is approved, additional funds will not be available to cover excess expenses.

When sending in receipts or invoices, make sure to tell us to whom the check should be written.

An active Chi Alpha Mu chapter may use grant funds

- to travel somewhere of mathematical interest
- to pay an honorarium to a guest speaker
- to help defray costs for Chi Alpha Mu members to participate in a math event
- to host a math activity for students or teachers from other schools
- to run a fun math event, applied math day, or a Pi Day celebration with math activities

You come up with the idea, we will try to help. Funds will NOT be granted for an event that is a meant to be a “fundraiser”.
