MISSION STATEMENT:

The Mission of St. Patrick School is to prepare its students academically and socially for lives of service and leadership rooted in the Gospel of Jesus and the Catholic virtues of faith, hope, and love.

STATEMENT OF PHILOSOPHY:

St. Patrick School is a state-recognized non-public school. It is an important part of the catechetical mission of Ss. James and Patrick Parish. As such, it is an environment where the four-fold purpose of Catholic education - message, community, worship, and service - can be realized.

The integration of religious truths and values with the rest of life is achieved first of all in the lived experience of the family. The teachers see themselves as co-workers and co-witnesses with parents in the important ministry of Catholic education.

Each child is a unique person, called to happiness with God now and in eternity and gifted with developing talents. These talents – religious, intellectual, moral, physical, emotional, and social – will be developed to their greatest potential in a positive learning environment where love and trust call forth in each child an understanding of his/her own dignity as a baptized Catholic.

The teachers strive to provide a well-balanced program, maintaining a priority of objectives and a scale of values consistent with the ministry entrusted to them by the Church. Their integrated approach to learning and living their own lives shall exemplify authentic Catholic living. Through instructional and creative activities, the student experiences the integration of faith and service within the context of the classroom and school community.

Working together, parents, teachers, students, and the members of Ss. James and Patrick Parish make St. Patrick School a Catholic community of faith, enriching the Church and the world.

STATEMENT OF OBJECTIVES

PARISH SUPPORT

- St. Patrick School exists primarily for the religious education of the young people of Ss. James and Patrick Parish. All parent(s)/guardian(s) who are parishioners of Ss. James & Patrick Parish are expected to attend weekend Mass regularly with their children.
- The parish is the primary source of funding for St. Patrick School. Parents who are members of the parish are expected to make weekly church contributions as part of their stewardship of Ss. James and Patrick Parish. The ability of St. Patrick School to continue offering quality educational opportunities for children depends on parent(s)/guardian(s) financially supporting the church and the school to the best of their ability.
- St. Patrick School students are expected to contribute to Ss. James and Patrick Parish. We encourage all parents to discuss the importance of stewardship with their child(ren) and to help them make a commitment to support the parish.
- Catholic Education begins with Sunday Mass.

Apostles' Creed

I believe in God, the Father almighty,
Creator of heaven and earth,
and in Jesus Christ, his only Son, our Lord,
who was conceived by the Holy Spirit,
born of the Virgin Mary,
suffered under Pontius Pilate,
was crucified, died and was buried;
he descended into hell;
the third day he rose again from the dead;
he ascended into heaven,
and is seated at the right hand
of God the Father almighty;
from there He will come
to judge the living and the dead.
I believe in the Holy Spirit,
the holy catholic Church,
the communion of saints,
the forgiveness of sins,
the resurrection of the body,
and life everlasting. Amen.

Our Father

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come,
thy will be done on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those
who trespass against us;
and lead us not into temptation,
but deliver us from evil. Amen.

Hail Mary

Hail Mary, full of grace, the Lord is with thee.
Blessed art thou among women,
and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death. Amen.

Glory Be

Glory be to the Father,
and to the Son,
and to the Holy Spirit,
as it was in the beginning, is now,
and ever shall be, world without end. Amen.

Peace Prayer

Lord, make me an instrument of your peace.
Where there is hatred, let me sow love
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness, joy.

O Divine Master,
grant that I may not so much
seek to be consoled as to console;
to be understood as to understand;
to be loved as to love.
For it is in giving that we receive;
it is in pardoning that we are pardoned;
and it is in dying that we are born to eternal life.
Amen.

The Jesus Prayer

Lord, Jesus Christ, Son of God,
have mercy on me, a sinner. Amen.

Act of Contrition

My God,
I am sorry for my sins with all my heart.
In choosing to do wrong and failing to do good,
I have sinned against you whom I should love
above all things.
I firmly intend, with your help, to do penance, to sin
no more, and to avoid whatever leads me to sin.
Our Savior Jesus Christ suffered and died for us.
In his name, my God, have mercy.
Amen.

Morning Offering

O Jesus, through the Immaculate Heart of Mary,
I offer you my prayers, works, joys, and sufferings
of this day
for all the intentions of your Sacred Heart,
in union with the Holy Sacrifice of the Mass
throughout the world,
for the salvation of souls, the reparations of sins,
the reunion of all Christians,
and in particular for the intentions of the Holy
Father this month.
Amen

From the Breastplate of St. Patrick

Christ with me, Christ before me,
Christ behind me, Christ in me,
Christ beneath me, Christ above me,
Christ on my right, Christ on my left,
Christ in breadth, Christ in length,
Christ in height,
Christ in the heart of everyone who thinks of me,
Christ in the mouth of everyone who speaks of
me,
Christ in every eye that sees me,
Christ in every ear that hears me.

ST. PATRICK SCHOOL STUDENT/PARENT HANDBOOK

St. Patrick School is state-recognized and is governed by the policy of the Springfield Diocesan Handbook of Catholic Educational Policies. The school handbook and calendar have been designed to uphold those policies.

The St. Patrick School Handbook and Calendar is provided to all parents and guardians of St. Patrick School students. It is intended that parents and guardians share with the school the responsibility of helping the students understand the school's philosophy. It is expected that this handbook will be discussed by the parent(s)/guardian(s) with their child(ren).

The pastor and /or principal retain the right to amend this handbook for just cause, and parents will be given prompt notification if changes are made.

Great effort has been taken to make this handbook as inclusive as possible and to keep all rules clear and practical. If there is a need for an explanation of anything in this handbook, please call the school office at 423-4351.

ADMISSION AND REGISTRATION

Non Discriminatory Policy

St. Patrick School admits students of any race, color, sex or national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, sex, or national and ethnic origin in the administration of its educational policies, admissions policies, scholarships and loan programs, and athletic and school administered programs. Our schools do reserve all their rights as religious entities in accord with the teachings of the Catholic Church, the protections of the First Amendment of the U.S. Constitution, and the Illinois Religious Freedom Restoration Act 775 ILCS 35/.

Catholic Identity

St. Patrick School has a responsibility and obligation to meet the school needs of its Catholic parishioners. Therefore, St. Patrick School will continue to monitor its enrollment in order to perpetuate itself as a Catholic school. Parishioners and other Catholic families will have a preference for available space during spring registration. In the event that the recommended class size is not reached at registration, space will be made available to non-Catholic students.

Students With Learning Disabilities

Students with learning disabilities receive services provided by Decatur Public School #61 Special Education, Title I and Title II.

Admission Guidelines

The administration of St. Patrick School has a responsibility to monitor student entrants so as not to jeopardize or compromise the religious and curricular education of all its students. All students will be admitted to St. Patrick School on the basis of space available and subject to the discretion and agreement of the pastor and principal. All new students must be in good standing from their prior school. They will be given a trial period to prove social and academic progress. If within this period any problem arises, the student will be asked to withdraw his or her attendance. St. Patrick School will not become a haven for anyone, of any faith, wanting to escape racial integration or any problems in the public school. The student seeking admission under any of these circumstances or motives will be denied admission.

Kindergarten Screening

A Kindergarten Screening will be administered to all children seeking entrance to St. Patrick who will be five years of age on or before September 1 of the year in which they are seeking admittance. The test is a screening process which includes performance based assessment and teacher observation. Questions regarding test administration or scoring are discussed with parents at the time of testing. Screening does not guarantee admission.

Registration Documents/Information

Students entering St. Patrick School for the first time at any grade level need to furnish the following at registration time:

- **Certified birth certificate** (a copy will be made at the time of registration)
- **Baptismal certificate** (obtained from the church of Baptism)
- Records of any other **sacraments received**
- Certification of the following examinations, tests, and immunization requirements :
 - physical; dental; vision; proof of immunizations
- **Contact information** including home address, parent/guardian name(s) and phone numbers (home, cell and work), email addresses, and other emergency data

Registration Dates

School begins August 16, 2023. Registration is held year round and can be completed by calling the school office.

AIDS

Students with AIDS who are enrolled or who are seeking enrollment shall be permitted to attend school and/or parish Religious Education Programs. Students who are known to have AIDS should be individually evaluated by the Pastor, appropriate administrator(s), physician(s), and other professional personnel in order to determine if their behavior or physical condition poses high risk or spread of the disease. One of the purposes of the evaluation is to prepare a specific plan for the education and care of the student. -Handbook of Catholic Educational Policies No. 4715

ATTENDANCE

St. Patrick School meets the state-required 176 days of pupil attendance and exceeds the required 880 hours of instructional time. Daily attendance is required by St. Patrick School. The daily schedule is:

Pledge/Prayers

After daily morning announcements/prayer, the Pledge of Allegiance is recited. Students learn about the American flag and how to care for the flag properly.

Absence

If your child is going to be absent from class, state law requires that you call the school (423-4351). If the parent/guardian has not called school by 9:30am, the school will contact the parent/guardian to verify the child's absence. Absences not verified by the parent/guardian will be documented as unexcused. We use this data to help determine systems of support to help promote daily attendance and student success.

Students at St. Patrick are granted 8 days of excused absence per semester. **Excused absences** include:

- absence because of student illness, including the mental or behavioral health of the student
- absence because of a family member's death, serious illness, or emergency
- absence due to doctor's or dentist's appointment
- absence for personal reasons arranged in advance with the office

Upon returning to school, the student will be admitted to class with a written excuse signed by the parent/guardian or doctor. At this time, the child should request directly from the teacher any missed classwork or homework assignments. Students are allowed one day grace period for each day absent to turn in missed work. If more time is needed, arrangements can be made directly with the teacher.

Students who are absent from school are not permitted to participate in afterschool or evening school-sponsored activities on the day of their absence. This includes sports, concerts, dances, plays, and other performances.

In general, family vacation trips during school time are discouraged since they are disruptive to the learning process. If a vacation trip is necessary during school time, the parent/guardian must write to the principal and teacher informing them of the plan. **Homework will be given when the student returns to school.**

Any absence beyond the 8th day needs to be documented with a doctor's excuse. Students with excessive absences and/or tardiness may be prohibited from after-school athletic activities, field trips, lead roles in music programs, or other activities outside the core curriculum as deemed necessary by the Principal. Any child who is absent more than 30 days in one school year may be considered for retention in the same grade for the next year. If a student is absent without valid cause

(an unexcused absence) for a school day or a portion of the school day, s/he is considered truant. Upon documentation of a student's unexcused absence, the child's parent/guardian will be informed and a meeting with the principal will be held. Supportive services may be put in place such as parent conferences, student/family counseling, and information regarding community services for support. The Assistant Regional Superintendent of Schools will be notified. Appropriate procedures for referring truancy cases to the court will be employed.

ARRIVAL & DISMISSAL PROCEDURES

Arrival

Reminder for safety: **Drivers may not use cell phones in a school zone while the car engine is running.**

Students who arrive at school between 6:30am and 7:30am will go to Morning Extended Care in the church basement. See page 10 for more information on this service.

Beginning at 7:30am, K-8th grade children may be dropped off for morning recess. Children may be dropped off at the south end of the church.

At 7:45, elementary students will be allowed to go to their classrooms using the main entrance to St. Patrick School (Jackson Street side). The main entrance will be the only entrance used for entry. Junior High students will use the west entry to Shamrock Hall.

Drivers should use one of the following drop-off sites:

1. Jackson street with drop-off at the main door
2. The "U" on the north side of the main building, with drop-off for elementary at the sidewalk at the end of the "U"
3. South end of the church for Jr. High students

The tardy bell rings at 7:55am, and all students are to be in their classrooms at that time. If a student arrives after the tardy bell, s/he must go directly to the school office. Jr. High students must receive an admit note from the school office in order to be admitted to class. If a pattern of tardiness develops, the principal may request a parent conference.

Dismissal

Reminder for safety: **Drivers may not use cell phones in a school zone while the car engine is running. No double parking on North St. Please, always pull to the curb to pick up your child.**

At 2:50pm, all students will be dismissed.

Students riding in cars/vans are to be picked up in the parking lot east of the main school building. Vehicles will park in lined parking places in rows facing north. Drivers are to get their child from their teacher and remain parked until a teacher dismisses their car.

Parents/Guardians who choose not to park in the east parking lot are to walk to the South entrance of the school to get their child(ren). Cars will be dismissed when all students are safely in their cars, and the teacher on duty has removed the chain barricade.

Students riding the city bus will go directly to the south doors on North Street to wait for a teacher who will escort them to the Transfer Station. Bus riders are to conduct themselves appropriately at all times.

Afterschool Extended Care students will meet in the library in the main building and wait until they are escorted to the church basement.

Students who are going home by transport other than car/van or city bus must have a written permission note on file with the school office. This written permission must be signed by parent/guardian and will be kept on file in the school office for the school year. Please contact the school office for the appropriate form to complete.

Students waiting for late rides will remain in the parking lot with a teacher until 3:00. At that time, any students who have not been picked up will be escorted to Extended Care in the church basement. See page 10 for more information on this program.

Some important dismissal reminders:

- All students are to respect and obey the supervising teacher and wait in the designated area.
- Students are not to run, play games, or play ball anywhere on the school grounds at dismissal.
- Dismissal time is not an appropriate time for parents/guardians to engage a teacher in a "conference."
- No student will be permitted to go to the Civic Center.
- Changes in a student's usual transportation routine need to be arranged by the parent/guardian and sent in writing to the school office that day. Students will not be permitted to make

changes in their after-school plans or their own alternate arrangements for after school rides. Only in situations designated as an emergency by the school office will permission to make such changes be accepted from the parent/guardian over the phone.

- No pets are allowed on school property.

STUDENT SAFETY

Asbestos Management

St. Patrick School has completed the Asbestos Management Plan in accordance with Federal Government regulations and a copy is on file at the school office for public inspection. Regulations require that this notification be made annually to all parents and staff. The tri-annual re-inspection has been completed and is on file in the School Management Plan. Six-month periodic surveillance requirements and additional re-inspections will be completed as required by Federal regulations.

Crisis Plan

St. Patrick School faculty and staff have developed a crisis management plan for implementation in the case of natural, technological, and civil disasters which might endanger student safety and welfare. This well-developed plan provides the school with an All-School Phone Tree, managed by the office, which will be used only in case of emergency during school hours to notify parents/guardians about the whereabouts of their children and the procedure to follow in order to secure them.

Playground/Recess Safety Rules

The following rules apply to all children any time they are on the playground or in the rectory basement. Those students who choose not to follow the rules and directions of the playground will sit out the rest of the recess.

- Keep hands and feet to ourselves.
- Store food items away while not in the cafeteria.
- Keep out of puddles, ice, or snow.
- Stay in the playground area with the supervising adult at all times.

Playground Equipment Rules:

- Sit down when using the slide.
- Treat playground equipment with respect

- Keep wood chips on the ground.

Personal Playground Items

Children are not encouraged to bring their own playground equipment to school. The school cannot be responsible for items which are lost, stolen, or damaged. If a student chooses to bring such items to school, the student assumes full responsibility for them. The student's equipment may be confiscated by a teacher or the principal if it is being used at the wrong time, in an inappropriate manner, or anywhere other than the playground. Items should be labeled clearly with the owner's name. If there is a discrepancy as to ownership, the item will become property of the school.

Safety Drills

All students and teachers practice procedures to use in case of disasters. The saving of lives may depend on obedience to instructions. There should be absolutely no talking during drills, as it may be necessary for the teacher to give different emergency instructions.

Fire drills are held at regular intervals. The signal for the fire drill is a steady sounding of the fire horn. Procedures to be followed in case of a fire drill are posted in all classrooms and discussed with the students by each teacher. When the fire alarm is sounded, all work should be stopped immediately, and people should move to the exit indicated and out of the building in a quiet and orderly manner.

If a student should accidentally turn on a false alarm, he/she must report to the office immediately and give the location of the broken fire box. If a student deliberately pulls a false fire alarm, the punishment for such an offense may include suspension and/or expulsion from school, as well as being turned over to the police.

Tornado drills are held at regular intervals. Procedures are posted in each classroom and discussed with the students by the teacher. In case of a tornado drill or alert, the principal will give information over the intercom, or by messenger in case of power failure. All students will move to an area considered safer than the classroom.

Earthquake drills will be conducted. Earthquake procedures are posted in each classroom and reviewed with the students by the teacher.

Emergency School Closings

If school is closed due to weather or other emergency conditions, announcements will be made on the radio station WSOY-Y103, TV

station WAND, St. Patrick School Facebook page, Families of St. Patrick School Facebook Page, and FastDirect. In the event students are already present and inclement or hazardous weather forces an early closure of school, the All-School FastDirect program will be used. In addition, notifications will also be broadcast over WSOY-Y103 and WAND-TV. Please, do not call the school office to check on closings. This ties up the phone lines and makes it difficult for us to reach the news media and necessary contacts.

Diocesan Safe Environment Requirement

Bishop Thomas J. Paprocki has mandated that all adults 18 and older in the Springfield Diocese who work or volunteer in parishes or schools must attend the safe environment training, *Protecting God's Children for Adults*, and have a background check. Every parent/guardian, family member, friend, or supporter who volunteers in any way in our school must have this training. The training provided by the diocese is one element in our shared responsibility to keep children safe from sexual abuse. Contact the St. Patrick School office at (217) 423-4351 for dates and locations of training sessions offered at our parish. A diocesan-wide schedule of training sessions is available: www.dio.org.

Drugs/Weapons

Any student found smoking or in possession of drugs/alcohol, or participating in any way with drugs/alcohol or in possession of a weapon and/or ammunition of any kind, while at school or at a school-related or school-sponsored activity, may be dismissed from school after a hearing with the parent/guardian, principal, and pastor. Firearms are prohibited on school premises. St. Patrick School is mandated by law to report the presence/visibility of a firearm on school premises as well as any incidents of violence/attacks on school personnel to law enforcement officials. The principal will notify the Illinois State Board of Education of such incidents through the School Incident Reporting System (SIRS).

Harassment and Bullying

St. Patrick School strives to provide a safe and secure environment in which each student can learn and grow. Because we are committed to preserving the dignity of each student, harassment of any individual by another individual or group of individuals will not be tolerated.

Harassment is defined as repeated unkind, derogatory, demeaning, violent, or inappropriate remarks or conduct directed toward a student. It includes, but is not limited to, the intentional blocking of normal movements, or the intentional interference with work, study, or play.

Bullying is defined as deliberately hurtful behavior, repeated over a period of time, where it is difficult for those being bullied to defend themselves. Bullying may be physical, verbal, or indirect by spreading rumors or excluding someone from a social group. It also includes cyber bullying when it causes substantial disruption to the educational process or orderly operation of a school. In cases where harassment or bullying is found to exist, the full measure of the school discipline policy, including the extreme measure of expulsion, may be invoked. Penalties will be at the sole discretion of the principal and pastor.

Sexual Harassment

St. Patrick School strives to provide a safe, positive learning domain for everyone in our school. For this reason, and in keeping with the objectives of maintaining the dignity of the human person, sexual harassment is expressly prohibited anywhere within the school environment. Sexual harassment may include:

- the use of sexually explicit language, including but not limited to sexually-oriented epithets, sexually derogatory jokes, comments or slurs
- the open display of any sexually explicit or inappropriate posters, photographs, cartoons, drawings or physical gestures
- the unwanted and inappropriate touching or threatening of oneself and/or another person in a suggestive or aggressive manner

Any act of retaliation against any person for reporting sexual harassment, assisting in making a sexual harassment complaint, or cooperation in a sexual harassment investigation is strictly forbidden.

Each of the provisions below is contained in existing policies and rules of the Diocese of Springfield, but are restated as a Code of Conduct for School Employees to comply with the law.

Each school is required pursuant to Faith's Law to post this Code of Professional Conduct for school employees on the school's website and to publish this document in the school's parent/family/student handbook, if the school has one.

The Diocese's Norms for the Prohibition of Sexual Abuse of Minors and Sexual Misconduct with Adults: Education, Prevention, Assistance to Persons making a Report, Investigation, and Procedures for Determination of Fitness for Ministry/Employment, prohibits sexual abuse of minors by its employees, clergy members, and volunteers. Pursuant to Faith's Law, the Diocese has amended its Norms to add additional description of acts constituting sexual abuse of a Minor:

Sexual misconduct, defined by Faith's Law as any verbal, nonverbal, written, or electronic communication or physical activity directed toward or with a minor for the purpose of establishing a romantic or sexual relationship with the minor, including but not limited to a sexual or romantic invitation; dating or soliciting a date; engaging in sexualized or romantic dialog; making sexually suggestive comments that are directed toward or with a minor; self-disclosure or physical exposure of a sexual, romantic, or erotic nature; and/or a sexual, indecent, romantic, or erotic contact with the minor (Illinois' Faith's Law, Public Act 102-0676, 105 ILCS 5/22-85.5).

Grooming behavior, defined by Faith's Law and the Illinois Criminal Code as knowingly using a computer online service, internet service,

local bulletin board service, or any other device capable of electronic data storage or transmission, or performs an act in person or by conduct through a third party, or uses written communication to seduce, solicit, lure, or entice, or attempt to seduce, solicit, lure, or entice, a child, or another person believed by the person to be a child, to commit any sex offense as defined in Section 2 of the Sex Offender Registration Act, to distribute photographs depicting the sex organs of the child, or to otherwise engage in any unlawful sexual conduct with a child or with another person believed by the person to be a child.

III. EXPECTATIONS OF SCHOOL EMPLOYEES

The Springfield Diocese restates here the Diocese's expectations of all its employees, including employees who work at parish elementary schools and Diocesan high schools in the Diocese of Springfield :

School employees are expected to maintain professional relationships and boundaries, recognizing the age and the developmental levels of the students with whom they interact. This includes meeting with a student or contacting a student outside of the employee's professional role.

While the school does not provide transportation on a regular basis, special circumstances (i.e. field trips) create the need for private transportation of students. While it is preferred to utilize volunteer adult chaperones to provide transportation for students, sometimes employees are also needed to provide this service. Employees are to follow the same guidelines as volunteer chaperones when transporting students, and it is recommended that an employee refrains from transporting a single student, and rather has a group of students, unless an emergency arises. In this case, the employee should notify the school office of the transportation needs before leaving.

In addition, employees will take particular care in taking or possessing a photo or a video of a student. Parents/guardians should first give

permission for photos and videos to be taken by employees of the school. Photos and videos of students should serve an educational purpose, and the employee should only maintain those photos and videos for as long as the educational purpose requires. Once the purpose is met, the employee should no longer maintain the photos and videos.

Expectations are also set forth in detail in the following:

- Diocese's Code for the Pastoral Use of Technology and Social Media;
- Diocese's Code of Pastoral Conduct;
- Diocese's Guidelines for Youth and Those Working with Youth Employee, Volunteer, and Youth Participant General Guidelines and Boundaries Expectations;
- Diocese's Norms for the Prohibition of Sexual Abuse of Minors and Sexual Misconduct with Adults: Education, Prevention, Assistance to Persons making a Report, Investigation, and Procedures for Determination of Fitness for Ministry/Employment;
- Illinois DCFS Acknowledgement of Mandated Reporter Status form;

and the following trainings:

- Virtus Protecting God's Children or Safe Environment Training;
- Illinois DCFS's Recognizing and Reporting Child Abuse: Training for Mandated Reporters; and
- State of Illinois' Prohibition of Sexual Harassment training.

IV. SCHOOL EMPLOYEES ARE MANDATED REPORTERS

The Springfield Diocese restates here the Diocese's requirement that its employees, including employees who work at parish elementary schools and Diocesan high schools in the Diocese of Springfield , shall

report suspected child abuse and suspected child neglect to the Illinois Department of Children and Family Services.

Pursuant to the Illinois Abused and Neglected Child Reporting Act, (325 ILCS 5/4), school employees are required to make a report suspected child abuse and suspected child neglect to the Illinois Department of Children and Family Services by calling the hotline number at 1-800-25-ABUSE (1-800-252-2873) whenever the employee has reasonable cause to believe that a child known to the employee in the employee's professional or official capacity may be abused or neglected.

This requirement is contained in the following:

- Diocese's Norms for the Prohibition of Sexual Abuse of Minors and Sexual Misconduct with Adults: Education, Prevention, Assistance to Persons making a Report, Investigation, and Procedures for Determination of Fitness for Ministry/Employment;
- Illinois DCFS Acknowledgement of Mandated Reporter Status form;

and the following trainings:

- Virtus Protecting God's Children or Safe Environment Training;
- Illinois DCFS's Recognizing and Reporting Child Abuse: Training for Mandated Reporters; and
- State of Illinois' Prohibition of Sexual Harassment training.

V. EMPLOYEE TRAINING RELATED TO CHILD ABUSE AND EDUCATOR ETHICS

The Springfield Diocese requires its employees be trained annually in their obligations as mandated reporters and every three years to be trained in preventing, detecting and responding properly to sexual

harassment. The trainings are entitled DCFS's Recognizing and Reporting Child Abuse: Training for Mandated Reporters; and the State of Illinois' Prohibition of Sexual Harassment training.

Those requirements are set forth in the school's Employee Handbook and in the Diocese's Safe Environment Requirements for Clergy, Adult/Teen Employees and Volunteers whose role involves direct contact with minors.

Threats

Any student who threatens the safety of himself/herself, another student, or staff member of the school through words or actions will be removed from the school pending a hearing with parent/guardian, principal, and pastor. A psychiatric evaluation which states that the

child is safe to self and others may also be required before re-entry to school. All threats will be taken seriously/investigated.

Illinois Sex Offender Registry

Pursuant to Public Act 94-994, a school district is required to notify the parents of children attending school within the district that they may access information regarding registered sex offenders that is available to the public. This law is intended to increase awareness of the Illinois Sex Offender Registry (I-SOR) and to encourage parents to review the information available to them. For your information, the Illinois Sex Offender Registry is available through a link on the Illinois State Police website at <http://www.isp.state.il.us/sor>.

Physical Assault

The faculty has defined physical assault, including but not limited to, as any attempt directed at harming another, such as hitting, throwing punches, kicking, fighting, or physical contact/harm of any kind. The consequences for individuals involved in an altercation can include:

1. Immediate removal from class
2. Call to parent/guardian
3. A "cooling off" period away from students
4. Parent/Guardian-Principal-Student meeting to determine consequences upon return to school
5. A behavior contract, suspension, or dismissal to be determined by the principal and pastor

The consequences for infractions are adapted to the child's age and grade.

Child Abuse Mandatory Reporting

All suspected abuse must be reported by any school personnel having knowledge of the alleged abuse.. "All teachers, catechists, and others who come in contact with students in all programs and activities sponsored by the school/parish, whether these persons are salaried or volunteers, are to: • Complete the diocesan-mandated CMG online safe environment training program which educates adults regarding the warning signs of victims of abuse and their predators. • Submit to a Background Check • Sign a Statement of Certification and Authorization relative to child and sexual abuse • Sign a statement acknowledging awareness of the policies and insurance ramifications relative to child abuse." The Statement of Certification and Authorizations is used diocesan wide and must be signed by

candidates for employment prior to interviewing or volunteering. ABUSE HOTLINE: 1-800-25-ABUSE is the number that staff will utilize in the event a case of abuse is suspected. All staff is involved in the DCFS Mandated Reporter training each year and certification is kept on file in the office.

SPECIAL EVENTS AND ACTIVITIES

Gum is never allowed as a treat or party favor. Balloons, flower bouquets, or other extravagant gifts are not appropriate at school. If turned in as a family, each child's name must be written on the permission slip

Field Trip Transportation

All students will be transported on field trips by 1) a bus arranged through the school office or 2) on occasion a car driven by a licensed and insured driver. The driver must be 21 years of age or older and drive an insured vehicle with enough seat belts and/or car seats for each passenger. DISCIPLINE POLICY

Behavior Expectations

Students will: be prompt and prepared; respect authority; respect others; respect property; and follow the six pillars of Character Counts (trustworthiness, respect, responsibility, fairness, caring and citizenship).

Self-Discipline

The goal of any discipline policy is self-discipline. Self-discipline is the ability to control one's own behavior and make appropriate choices in order to improve and grow. The best means of developing self-discipline in our students is to model a consistent and strong collaborative spirit among all who share in their education.

Behavior Expectations at School and Off Campus

The teachers and principal of St. Patrick School have established the following classroom behavior expectations and consequences for non-compliance. Behavior expectations, rules, and consequences are posted in each teacher's classroom. The behavior expectations and rules will be taught to the students. This plan will be implemented by all responsible personnel in instructional situations. Consequences for failure to comply with these expectations will be posted in each classroom. The administration reserves the right to discipline students for off-campus conduct when involved in school-sponsored activities.

Discipline is fundamental to Catholic Education, but it should be positive and constructive. Corporal punishment, humiliation, sarcasm or deliberate embarrassment is forbidden. Students should not be sent

into the halls or into an empty room unsupervised. An entire group should not be punished because of the conduct of a few students. All persons in the employ of or working on behalf of the school shall:

- Respect the dignity of the student at all times – avoid personal indignities such as striking, pulling hair or ears; avoid sarcasm, ridicule, nagging, name calling or public humiliation.
- Provide a classroom that is conducive to learning: order and discipline are an outgrowth of good teaching.
- Deal with each individual student discipline problem – avoid indiscriminate punishment of all in the class for misconduct of one or a few students.
- Help the student to see clearly the consequences of various behaviors and to realize that choosing certain behaviors means accepting the responsibility for the consequences of those behaviors – the consequences should always be logical and appropriate to the behavior.
- Discuss the classroom regulations and procedures as well as the consequences of violating these regulations and procedures.

Consequences for Misconduct

Behavior Contract

This results in the student losing some privileges. While under a Behavior Contract, the student may: 1) have lunch away from his/her peers 2) not be allowed to go on field trips 3) not be granted any non-uniform days. The student must exemplify the Six Pillars of Character to earn back each privilege. Parent(s)/Guardian(s) will be notified of such a consequence, and a conference may be necessary to write the behavior contract. The use of a behavior contract will be determined by the teacher and/or principal.

In-School Suspension

More serious misconduct leading to in-school suspension includes but is not limited to: chronic misbehavior, disrespect, defiance of authority, vulgar language, displays of affection, and dishonesty (cheating, plagiarism, forgery, etc.). In-school suspension can be from 1 to 3 days and requires the student to be present during regular school hours (7:50am-2:50pm). The student will be separated from his/her peer group and will be given assignments, which are to be completed according to the teacher's specifications. The in-school suspension will

not be considered served until required academic work is completed. In keeping with section 407.2 of the Diocesan Handbook, the date(s) of the in-school suspension and a summary of the parent conference shall be kept on file at the school office but not part of the student's permanent record.

Out-of-School Suspension

Out-of-school suspension may be given at the discretion of the principal or pastor when other measures have proven to be ineffective or when immediate removal from the school setting is necessary in the best interests of the school. In the event such a penalty is to be enforced, parent(s)/guardian(s) will be given prior notification from the school. Parent(s)/guardian(s) are to be responsible for the student while not in attendance at school in order to keep this method of suspension successful. Assignments will be given to the suspended student. Work, assignments, and tests that are missed will be recorded.

Expulsion

Expulsion is a very serious punishment. Section 407.3 of the Diocesan Handbook states the following situations which demand removal of a student from school:

- Delinquency and immorality which warrant commitment to a correctional institution or which constitute a definite menace to other pupils.
- Chronic or incorrigible misbehavior which undermines classroom discipline and impedes academic progress of the entire class.

Expulsion from school is determined by the principal and pastor. Expulsion is permanent. No re-admittance to St. Patrick School is permitted.

Corporal Punishment

St. Patrick does not employ any type of corporal punishment, in accordance with #402.4 in the Handbook of Catholic Education Policies, which states:

All persons who are active in the educational mission and youth ministry programs of the diocese are to respect the dignity of the persons entrusted to their care. They shall avoid personal indignities such as sarcasm, ridicule, nagging, name-calling, and other public

humiliation. Such persons shall never employ corporal punishment nor inflict physical abuse with respect to those entrusted to their care.

Grievance/Conflict Resolution Procedure/Appeals

A grievance is a difference of opinion or dispute raised by students and/or parents concerning the policies and procedures of the school. The primary purpose of a grievance procedure is to secure, at the lowest possible administrative level and in the most informal manner possible, equitable solutions to problems which may arise affecting student learning/disciplinary concerns. Problems relating to general school policies and procedures should be addressed to the principal. Problems relating to student-teacher relations should be addressed as follows:

Step 1: The student should make an appointment to talk directly with the teacher in order to determine the cause of any academic or behavior problems and work toward a joint solution.

Step 2: Parent(s)/guardian(s) should contact the teacher by phoning the school or sending a private note expressing any concerns and indicating interest in discussing the problem and working on a solution.

Step 3: The parent(s)/guardian(s), teacher, and student should arrange a conference to discuss progress and formulate a plan, in writing if necessary, for dealing with the problem and following up on the effectiveness of the plan.

It is expected that during these steps, all parties involved will refrain from counterproductive and inappropriate conversations with other teachers or parents about the situation. In the majority of cases, grievances can be equitably resolved at some point in Steps 1-3. If the situation remains unresolved, the principal will become involved.

Step 4: The principal will initially determine whether Steps 1-3 have properly occurred. Next, the principal will arrange a conference among all concerned parties and will attempt to mediate an acceptable solution which is both fair and faithful to the school's academic and disciplinary policies. The arrangement may be verbal or in writing. A schedule of follow-up conferences to check progress will be formulated by the principal with attendance by all parties expected. The principal will inform the pastor of the situation. If all parties follow through on the agreement, improvement should be obvious by the end of the follow-up period. Again, respect for privacy and the reputation of all parties should preclude any public discussion of this process.

Step 5: If Steps 1-4 do not secure a satisfactory resolution, the matter will be brought to the pastor. As with all issues concerning the parish or the school, the pastor will make a final decision to resolve the situation.

FUNDRAISERS, SCHOOL PROJECTS, AND FACILITY USE

St. Patrick School families will receive a list of approved fundraisers for the year at registration. With the exception of the normal school fundraisers, (i.e. Annual School Fund Drive, Auction, Athletic Association Candy Drive, and Missions), all other fundraisers must be presented to the Principal, School Advisory Board, and be approved by the pastor. For scheduling facility usage, contact the school and parish offices.

Annual School Fund Drive: Each year St. Patrick School attempts to offset its operating expenses through an Annual School Fund Drive. This campaign reaches out to the parents, parishioners, alumni, faculty, grandparents, friends and the community for their support. All are encouraged to be receptive to pledging prayers for our students and staff and in doing whatever else is possible through service, donations or other financial gifts.

Scrip/Gift Card & Certificate Program: St. Patrick School sells gift cards and certificates for many popular retail stores and restaurants, receiving a percentage of the face value of the card. The money received from the sale is applied toward the school and toward the tuition account of the family that made the sale. Scrip can be purchased by filling out an order form sent by St. Patrick School or calling 217-429-5363.

St. Patrick Auction: This annual event raises money to offset some of our large expenses such as new technology, building updates, textbooks, etc. It is held in the spring and many volunteers work throughout the year to make it a success.

St. Teresa High School Annual Mega Raffle: St. Patrick School participates in the annual St. Teresa High School Mega Raffle. Ten dollars out of each \$100 ticket that is sold by a St. Patrick family is returned to St. Patrick School. Information and tickets are available in the spring.

Curriculum

Curriculum standards are available for review in the office. All subject areas are taught in English. Students receive daily instruction in religion, reading/literature, English/grammar/spelling/vocabulary, writing, science, social studies, and history. Students will also receive instruction in music/band/choir, physical education, art, health, and technology.

Eligibility

A student may be deemed “ineligible” for any extra-curricular activity if the student’s overall grade is below a 60% in any subject. Eligibility is determined every Monday, and the student-athlete will be ineligible until the next Monday. A student’s effort, amount of grades, and a plan of action may be considered with only one “D”. Students must be in school by 11:30am to participate in extracurricular activities for that day. The principal may grant an exception for special circumstances.

Special Classes: Music, Computers, Physical Education, & Art

Students are expected to participate and attempt the skill or lesson in special area subjects to the best of their ability. Students will earn a grade in these classes based on effort, preparedness, and ability to attempt new skills being taught.

Homework/Classwork is an integral part of the St. Patrick academic process. Incomplete and late homework/classwork will affect a student’s grade. Teachers have the right to request a parent/guardian signature on a homework/classwork assignment or test. Failure to return signed work may result in a lower grade. Programs specifically designed for students with learning differences will be applied.

Student Responsibility

Students are responsible for organizing the books and materials to complete their assignments. Materials brought to students after arrival will be kept in the office. Parent(s)/guardian(s) and students will not be

permitted to return to the classroom to retrieve forgotten materials or books after 3:15pm.

Service Hours

Students in grades 4–8 are required to perform 20 hours (5 per quarter) of outside service in the community. As a school, we participate in various activities to raise money for Missionary Childhood Association, and the sharing of talents by performing at local nursing homes and service organizations. Throughout the year, students also make cards for shut-ins and veterans. If students do not complete their hours, their Religion grade for the quarter will be lowered one letter grade.

Parent-Teacher-Student Conferences are scheduled once per year for all students in grades PreK-8. Additional conferences may be scheduled upon teacher/parent request.

Grades are entered every Sunday evening by midnight. Teachers must provide at least two assignments throughout the week. They are also entered and recorded quarterly and at the semester. Parents can view grades any time on FastDirect. Since grades are available on FastDirect at any time, paper copies of midterms/report cards will not be handed out to all students. A paper copy will be printed upon request by parent/guardian.

Honor Roll

Students in sixth, seventh, and eighth grade are eligible for the Honor Roll. Requirements for each level are:

- High Honors: All As in all subject areas
- Honors: All As and Bs
- Honorable Mention: All As and Bs with 1 C

Graduation Requirements

Eighth-grade students must pass all subjects and the Illinois and U.S. Constitution tests in order to graduate. In addition, all tuition, fees, and accounts must be paid in full.

Standardized Testing

Students at St. Patrick School will follow the testing program outlined by the Office of Catholic Education. This testing program requires both achievement and ability testing of students. All students at St. Patrick in grades K-8 participate in this testing. Students in Grades 5 and 8 also participate in the ACRE religion standardized assessment mandated by the Springfield Diocese.

Retention & Promotion of Students

Retention is to be considered in four (4) situations:

1. Any student who has been absent for more than 30 days in one school year is liable for retention in the same grade the following year.
2. A student who has not yet reached the maturity level needed to do the schoolwork required for a given grade level may be recommended for retention. Parents have the option of placing their child in the next grade if they disagree with the recommendation. However, the child will be *transferred*, not *promoted*, and may struggle in the following grade. When a student is transferred over the advice of the professional staff, parents must sign a statement acknowledging that the transfer occurred against the advice of the professional staff. If a child is recommended for retention for a second time, in a different grade, after the parents have insisted on a higher placement, the decision will rest with the principal.
3. A student who receives an F average in one or more major subjects will be retained at the same grade level for the following year. Parents will be notified by the principal when there is danger of failure so that remediation can be pursued, which could include tutoring and/or summer school. If a student fails one or more major subjects in spite of the warning and recommendations for remediation, the student will be retained in the same grade for the following year. Eighth-grade students must pass all subjects in order to graduate.
4. Students will not be socially promoted.

Theology of the Body

Theology of the Body, taught at the Jr. High level, is a comprehensive program to teach self-respect. Parents are to attend a meeting about the program. Families receive a handbook that coordinates with the program and helps assist with their discussion at home.

Missing Children Act 325ILCS50

Upon notification by Law Enforcement Agencies Data System of a person's disappearance, a school in which the person is currently or was previously enrolled shall flag the record that whenever a copy of or information regarding the record is requested, the school shall be alerted to the fact that the record is that of a missing person. The school shall immediately report to the Department any request

concerning flagged records. Upon notification by the Department that the missing person has been recovered, the school shall remove the flag from the person's record.

If a participating student orders a double lunch, the first is free or reduced; the second will cost \$1.50. Note: If all school lunches are free by government ruling, the normal portion is free. If a student orders a double entree, their lunch account will be charged \$1.50.

This school abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, this school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

St. Patrick School is a non-smoking environment. All areas of St. James & Patrick Parish are non-smoking areas. Possession and/or use of tobacco products or paraphernalia on premises or at school events and functions is prohibited.

Personal Belongings

Students are encouraged to leave personal belongings at home, as the school cannot assume the responsibility for loss or damage. Students may not bring to school laser pointers, tablets, pagers, beepers, radios, cassettes, cassette or CD players, video games, skateboards, iPods, MP3 players or any other electronic device, with the exception of cell phones as outlined below, to school. These devices will be confiscated if found on school property. Only on occasion and for use on an assignment or in a program may other personal items be brought to school. In such cases, the student should secure explicit permission from the teacher before bringing the item. Items found with no name on them or for which there is a discrepancy as to ownership will become property of the school.

Cell Phones: Cell phones are allowed on school premises but must be kept in lockers at the junior high level and in backpacks at all other grade levels. Cell phones must be turned off at all times. Any cell phones not in a locker or backpack will be confiscated. Cell phones may be used only with faculty/staff permission inside of school hours. When using a cell phone, students may not:

- Play games, access email or the internet, send messages, gamble, or make purchases
- Take pictures unless authorized by the teacher

Violation of the cell phone policy will result in the following:

- 1st offense: device confiscated and must be picked up by parent
- 2nd offense: lunch/recess detention plus the device will be confiscated and must be picked up by the parent;
- 3rd offense: 1 day in-school suspension. The device will be confiscated and must be picked up by the parent.

Catholic Diocese of Springfield in Illinois

Family School Agreement – Basic Plan for 2023-2024

What does discipleship and stewardship ask of active parish stewards? It expects:

- an active witness to the Catholic faith by our daily teaching and living, making discipleship a way of life;
- the entire family's participation at Mass in the parish every Sunday and Holy Day of Obligation;
- active involvement in the various parish ministries, each according to his or her time and talents;
- a respect for and cooperation with those who actually provide Catholic education – the priests, parishioners, and all school personnel – and their policies;
- each family to aspire to the biblical ideal of tithing, as our Diocesan Synod will be considering the goal of all parishioners giving a certain percentage of their income to the parish; and
- the full participation of the child, according to age and ability, to practice stewardship as well.

As parents we ask the parish to help us provide our child(ren) with a Catholic education. We understand and agree that our child(ren) will be taught the teachings of the Catholic Church in their fullness even if we are living a way of life that is contrary to those teachings. We also understand that if we do not live in accord with Catholic Church teaching, we are expected to discuss with the pastor of our Catholic parish ways in which we could. We further accept a commitment to the stewardship way of life as practiced in our parish. We pledge our full cooperation with the school and parish to prepare our child(ren) to be a disciple of Jesus Christ. We will make every effort to supervise our child(ren)'s commitment to this agreement.
