

2016-17 NEW Location License Application Instructions

- Please go to <https://www.gacoam.com>
- Click on "Register".
- You will need to setup a new account by following the on screen instructions in detail.
- Please be advised you will need to have access to the email account you provide, STI, FEIN, proprietor information and also provide a copy of the Georgia Verification of Lawful Presence Affidavit (please see attached), along with one of the forms of identification as outlined in the application process.
- Please keep track of your login information. BCG Gaming does not have access to your login information if misplaced.
- The number of "CLASS A" machines at your location will be listed below.
- Change machines and bulk vending machines do **NOT** need to be licensed.
- The "CLASS A" licenses are \$25 per machine. If your total does not match \$25 per machine (+ a minor processing fee), please review your application. Also, please verify that you are applying for a **2016-17 Class A Location License**. If you have any questions, please contact us **before** you complete your application.
- If you are applying for a 2016-17 license on or before 6/30/16, your equipment cannot be delivered until after July 1.
