Randy Bella from Bella's Uniforms presented options for his company to provide player uniforms for AC players in the future.

Sublimation Jersey – AC's to select design and info to be printed

Parents would purchase on Bella's Webstore to be created

Wide range of prices depending on quality and design. Targeting \$20-\$30 jersey and \$10 hat

Bella's currently does uniforms for Kaukauna Youth Baseball and Fox Valley Performance volleyball.

Items for AC's to work out yet if we proceed on this route:

Jersey Numbers

Management

Jersey Design

Price Point

New Business

Concessions:

Brian brought up that sometimes high school kids need some volunteer hours and maybe the club could tap that as a resource

Fees for next year:

Do we stay the same or lower if parents are purchasing their own jerseys? Ken is going to do a cost analysis for the last two years. The goal is to have the registrations fees cover league fees, cost of equipment, diamond prep and umpires.

Fundraisers for continued support of the scholarships:

In the past the 50/50 and bowling tournament covered the expense of the scholarships. We don't have those fundraisers any longer due to COVID so do we discontinue scholarships or find new fundraising opportunities? Scholarships will continue for the time being. Will explore fundraising in the future.

Officer Elections:

Three open vacancies coming up in January to fill: President, Secretary, Board position currently held by Shane

Old Business:

Lawn Mower Maintenance – Horst did it. Terry dropped off and picked up

Open Construction projects?

Christian Yelich Bobblehead donation. Use it as a fundraiser?

Motion to adjourn by Terry. Second by Russ. Motion Carried
