Social Workers Peer Support Group

Facilitated by:

Edith Caballero, LCSW & Myriam Ayala, LCSW

Every 3rd Saturday of the month we come together to support each other personally and professionally. We have new topics and discussions every month. We welcome other mental health providers to our group.

"Integrity is choosing courage over comfort; choosing what is right over what is fun, fast or easy; and choosing to practice our values rather than simply professing them." ~ Brene Brown

You will receive the zoom link with group agreements prior to the event.
