355 ML | LANCASTER, SOUTH CAROLINA | ALC./VOL.

When you're really stuck, it's 77 SOUTH.

This beer celebrates everything you hate about I-77 South. It's unyielding, full, and it slows down the entire world, giving you nothing better to do than ponder your surroundings, life, and why that car in front of you had a church sticker in the back windshield while the driver was flipping you off.

Welcome to Carolina, and welcome to 77 SOUTH Hoppy Pale Ale.

HOPPY PALE ALE

BENFORD BREWING.COM

When you're really stuck, it sucks! Our Hoppy Pale Ale is brewed with German Pilsner Malt, Caracrytal Wheat Malt, and Oats. Slightly bitterer with German Magnum and Amarillo Hops, then lightly dry hopped with a newer hop variety, Idaho 7. Its profile consists of "orange and apricot with hints of black tea," "fruity, tropical, and light citrus," and "ripe papaya and marmalade."
