Company

We are an established dental clinic providing high-quality dental care to Bradford and surrounding area. We consistently offer our employees an enjoyable work environment, recognition for quality work and opportunities for growth. Our patients are treated as individuals, and we place great emphasis on comprehensive and personalized oral healthcare. Our friendly, family-oriented atmosphere and high standards of excellence has allowed us to form longstanding relationships with our patients.

Job Duties

- **Includes, but not limited to, all duties of CERTIFIED Level I Dental Assistants. Level II Dental Assistant duties as follows:**
 - Mechanical polishing of the coronal portion of the teeth.
 - Placement and removal of rubber dam.
 - Taking of preliminary impressions of teeth for study models.
 - Topical application of anti-cariogenic agents.
 - Oral hygiene instruction with an intra-oral component.
 - Dietary counseling relative to dentistry.
 - Application of materials topically to prepare the surface of the teeth for pit and fissure sealants.
 - Application of pit and fissure sealants.
 - Application of topical anaesthetics.
 - Application of desensitizing agents.
 - Whitening of the coronal portion of the teeth using materials generally available to the public without prescription.
 - Polishing restorations.
 - Oral irrigation.

Requirements

- Candidates must be reliable, organized and perform with a strong attention to detail. Experience with Eaglesoft is considered an asset but is not required.

How to apply

To apply please submit resume to HRQR@rncces.ca for pre-screening and consideration. Include a note indicating why you are a good fit for this position.
