Violence at Greedy 20 Meeting

Media-release: **2.12.1.4**

Universe Custodian Guardians denounce the thugs that rampaged outside the Greedy 20 meeting. Violence & vandalism are Evil. Evil is a crime. Cage Evil. Remember all Solutions need to be Non-violent. Violence is never the answer.

Greed is Evil, the Greedy 20 are Evil. Evil is a crime. Cage Evil. The Greedy 20 are the main cause of exploitation, famine, greed, homeless, pollution, profiteering & wealth-apartheid. The biggest criminals on the planet. All of them belong to be caged, MS/R6

The Victorian Police should not have protected the Greedy 20 but arrested them. These 20 criminals should not have been allowed to enter Australia. That Australia encouraged the meeting of these Criminals shows how immoral It is.

The Greedy Profiteers & Polluters have established a propaganda organization like the Greedy 20. To brainwash the public that greed is good that profit is good & Globalization is the answer to all our problems. The reality is Globalization is used for cost-cutting.

Globalization is used for cost-cutting. By moving into countries that have a lower cost structure. Sacking people in one area & employing slave-labor in another.

Lower costs are achieved by employing under age children in unhealthy unsafe working areas. They are underpaid underfed working long hours without breaks, without holiday entitlements, without health benefits. Missing out on childhood experiences, playing & education. While Greedy Profiteers are laughing all the way to the bank praising Globalization.

Where children are not available another underclass is used, females. Females are treated often worse. While working under the same inhuman conditions as the children many females also have to provide sexual favors (*being RAPED*). Many males are also exploited but usually not as bad as children & females.

1GOD sent a message: Turning to dust the World Trade Center symbol of Greed & Globalization.

The *Universe Custodian Guardians* are disappointed with the Victorian, (*ALP*) Australian Liberal Pretenders State Government for letting this meeting of crime bosses go ahead & ordering police to protect the Evil Greedy 20. Ordering police to protect Evil is corrupt. The Victorian Government has clearly been hijacked by

liberal clones. Any government that supports Greedy Profiteers, Globalization & the Greedy 20 needs to loose power.

Letter to Governor-General of the Commonwealth of Australia. The *Universe Custodian Guardians* send a letter to His Excellency Major General Michael Jeffery AC CVO MC Governor-General of the Commonwealth of Australia. The letter outlines our concerns with Australian Wheat Board's corruption.

Your Excellency

The *Universe Custodian Guardians* are concerned about the Australian Wheat Board corruption & the behavior of the Prime Minister & Federal Government ministers.

Sir again this Federal Government has negated its responsibility & its duty to govern. The Federal Government has developed a cunning deceitful dishonest model of dealing with responsibility & governance. Members of the government including the prime minister surround themselves with commoners and public servants. These censor communications keeping anything controversial away from their bosses this than enables the ministers to claim ignorance & having to take responsibility.

This government avoids more & more governance by shifting it to privatization & powerless self-regulating bodies. In Australian Wheat Board's case they went even further granting it to operate as a legislative unrestrained profit oriented monopoly. This way the prime minister & the rest of the cabinet can claim innocence not being involved in decision making & supervision. This has been delegated to powerless impotent self-regulating entities.

Implementing UN sanctions is a government responsibility. In AWB's case by delegating this responsibility to Profiteers the government failed in its international responsibility. The Government showed contempt for the United Nations. All this damaged Australia's reputation as an honest trading partner.

Sir we ask to withdraw the commission given to Prime Minister John Howard because of deceitfully avoiding taking responsibility and avoiding to govern both local and internationally (*see above paragraphs*). Damaging Australia's foreign trade and image as well as exposing Australia to foreign legal actions. Other ministers of the Howard cabinet should also have their ministerial appointment withdrawn because (*see above paragraphs*).

Sir a government that shuns responsibility and the will to govern and delegates these to unelected powerless farcical self-regulating bodies and profiteers has lost its right to govern. Therefore we ask that Parliament be dissolved and Your Excellency issues a writ for an election. Furthermore we ask that Your Excellency consider setting up a Royal Commission to charge and prosecute commoners' public servants and members of both houses of Parliament

concerning anything Australian Wheat Board and its dealing both local and overseas.

Kind Regards: *Custodian-Proclaimer, Universe Custodian Guardians.*

PS. Governor-General did nothing endorsing corruption & failing in his duties. The Governor-General is a failure of the worst kind. All his honors, titles & entitlements are to be revoked & sentenced to: MS/R7

Last year we had the invasion of Lebanon by the **Evil-Israeli** (*inventors of Terrorism*). Israel uses weapons of mass destruction finance & know-how supplied by the US.

The suffering of Lebanese civilians was heart breaking. The Evil-Israeli used cluster-bombs with horrific results. Also Phosphorus weapons which cause horrific burning on human flesh, burning until it reaches a bone were used in abundance. Bombing of housing estates, ambulances, peacekeepers, bridges, roads, factories completed this scene of horror. The civilian casualties were high.

Nobody has the right to kill a human.

The US Secretary of State Condoleezza Rice went to the area & many people thought it was a peace mission. However the US Secretary of State Condoleezza Rice went to inspect how well US weapons killed Lebanese Mothers & their children. She congratulated the Israelis & offered more American weapons.

The US Secretary of State Condoleezza Rice also endorsed the continuing genocide of Palestinians by the Israelis with American weapons. The Israelis evil actions are also endorsed & encouraged by Australia & England. The US talks about peace & justice, yet militarily & morally supports Israel's gross human rights violations against Lebanon's civilians & sovereignty.

Supporting the killing of humans is Evil.

The *Universe Custodian Guardians* are disgusted with the US Secretary of State Condoleezza Rice her behavior makes her the most Evil person of 2006. The *Universe Custodian Guardians* are ashamed for the many people who sit back and watch the killings on this planet & do nothing. We plead with the good people of this most beautiful Planet to stop the **Evil US Administration** supplying known **killers** with weapons & logistics.

It is always good news when a tyrant is punished. The *Universe Custodian Guardians* strongly object using **execution** as punishment.

Nobody has the right to kill a human.

Sadam Hussein's regime was kept in power (*political tyranny*) as a US puppet to harass the Iranian's & provide cheap oil to the US & its military protectorates (*England, Australia...*). The US provided logistics (*establishing concentration camp, torture techniques...*) in return for Iraqi obedience. However Hussein showed power-addiction becoming independent & aggressive. A threat to the US having cheap & plentiful supply of oil.

The US & its military protectorates (*England, Australia...*) known as the willingly evil invaded Iraq. English law lord Thomas Bingham accused the criminal invaders as acting like a "world vigilante" & serious violators of international law. Alan Greenspan (*former Federal Reserve chairman*) has declared the prime motive for the invasion of Iraq was oil.

The invaders are criminals by international law & by **1GOD's** laws.

The *Universe Custodian Guardians* belief the time has come to punish the people responsible for more violence and destruction to Iraq then by the Evil tyrant. We are talking about the people who over years enforced severe sanctions against the Iraqi people causing cruel suffering. Then they used lies, deceit and **Greed** as excuse to invade Iraq. Since the **Evil** criminals occupied Iraq more civilians have died violently, more women were raped and more children gunned down then when the tyrant ruled.

These criminals should be tried under the rules of the International Nuremberg trials. Exception '*no Death penalty*'. The main charge "**Crimes against Humanity**". The accused: US president "**Bush**" his administration and civil servants. The "**Queen of England**" and her prime-minister "**Blair**" his administration and their public servants. The prime-minister of Australia, "**Howard**" his coalition government and their public servants.

What You Must Do:

Every human is to pursue these violators of humanity. They must be caged. The invader countries need to apologize to the Iraqi people & pay compensation & punitive payments to both individuals & the country.

1GOD is watching, humankind should stop **Evil!**
