

A NEWSLETTER SERVING THE BLACK-JACK ENDURO CIRCUIT March/April 1996

NOTE'S FROM THE CHAIRMAN:

The Black Jack Enduro Circuit Banquet, held on March 23rd at the Clarion Inn in Fayetteville, AR., was a success. For the second year in a row, Pete Denison of MOOSE/A-LOOP was the guest speaker and did an outstanding job of keeping all two hundred and twenty four of us who attended . . .entertained. My "THANKS" go out to Pete.

We tried a couple of new things this year in the way of awards. The helmets were given a graphics treatment that included purple skunk stripes with the BJEC commemorative logo in them in addition to the BJEC, tree and rider on each side. It was really an attempt to add more color to the helmet, and make them more distinctive. I think it worked very well. If you would like a set of these . . .you'll find an order blank to get them direct from the manufacturer. The second thing we did was get away from the

MOOSE RACING A-LOOP

In '94, the Tulsa Trail Riders put on the biggest "Enduro" type event in the world. Pete Denison representing MOOSE and PARTS UNLIMITED . . .was the first to officially commit to sponsorship. In the end he was also the #1 provider of dollars and material.

Last year Pete drug Dick Burleson along and was our guest speaker in addition to providing MOOSE riding jackets as awards.

This year the date of the banquet fell on a national event which made getting guest speakers extremely difficult. Pete's in the middle of moving to a new house on the same weekend. What's he do? Drops everything and comes to our Banquet. I would like to extend a sincere "Thank You, Pete," on behalf of all the members.

WE APPRECIATE YOUR SUPPORT!

coats this year as they've been handed out in every conceivable form. Pete, from MOOSE/A-LOOP Racing, supplied us with purple chest protectors with the BJEC logo, front and rear in white. From everything that I heard. . .both (helmets and chest protectors) were received well.

Benny Richards (Contingency Chairman) sent me a nice letter that basically said his time was completely consumed with his work and resigned. Tony Orihuela from Yamaha Sportscenter in Texarkana graciously agreed to step in (as the new Contingency Chairman for the remainder of the year) at the last moment and secured for all of us . . .some very cool door prizes. "Thank you Tony!" I would like to take a minute to thank Benny for all he has done for this circuit. Much of the contingency programs from Yamaha, Suzuki and Kawasaki, are his doing. Each and every one of us need to thank Benny for all his hard work when we see him. . .it is much appreciated!

RIDE COLORADO... AUGUST 16th & 17th!

Things are progressing for an "unorganized" Trail Ride/Poker Run in Colorado in August. Mike Shown has agreed (and more importantly. . . has a plan) to arrow a couple of 60 mile loops and do one on Friday and Saturday. We've located a caterer who has agreed to supply Mesquite smoked brisket and ham with all the fix'ns for \$6.50 a plate in an "all you can eat" format. We've also selected a camping area (Spring Creek which is due west of Taylor Park. Take HWY. 135 North out of Gunnison, turn right at Almont toward Taylor Park and watch for Spring Creek Road which turns off to your left, or goes North) mainly because it's a pretty large area to camp in and it's a hub for some really cool trails. There is a plan for river rafting, mountain biking, and hiking for spouse's and kids. The main thing is that this is a "for fun thing!" Go ride when you want, with whoever you want. . . and have fun! There is no cost other than the meal and it's pretty cheap! Come join in the fun! We'll provide a map and more details in the next issue of KEYTIME. Plan to make this!

HELP!

We have a misplaced chest protector from the awards banquet. Danie Hurlbert finished 2nd Place in C-250, and was supposed to have a chest protector that said so. However, it may have been picked up by someone accidentally. If by some chance you picked up Danie's chest protector, please give him a call at (918) 227-1012 or if you wish to remain anonymous, give Dave Clemens a call at (903) 785-2186. Thanks for your help on locating this item!

LETTER FROM THE EDITOR

A typical day in the world of a newsletter editor. The phone rings, I answer it:

ME: Hello?

???: Where the #\$^* is my

*#\$&@&\$\$ newsletter! ME: What newsletter?

???: The \$^#*^\$*# newsletter you're supposed to have every other month!! That #@\$&# newsletter!!

ME: Oh, that newsletter. Well, I have been kinda busy.

???: So, do you think I give a #\$#\$!
Get it done and send it out!

Well, this actually DID NOT happen. It probably could have, but they couldn't find my number. OK, my excuse is my new daughter, NATALIE ANN CLEMENS. She was 7lbs 2oz, 19.88" long, born on March 8, 1996. That is the kind of info wives like to pass on. Anyway, between that and a few other things (lack of sleep included), I have actually been pretty busy. I apologize for this being a few weeks late.

Looks like things are shaping up pretty good this year. Membership seems to continue to be on the rise, though I don't have an exact figure at this moment. Have you brought a friend to an enduro?

Okay, time for me to express my opinion on a few things. First topic is work averages. I would like to see the circuit move to awarding first place points (20 pts) for a work score. This would eliminate the "advantage" faster riders have with work averages and encourage more people to work, maybe even join a club. A second work score could remain an "average". Next item is "organizing an enduro". There are a lot of seasoned veterans putting on our enduros, and they do a FANTASTIC job. However, they can't do it forever. Take a younger rider under your wing and teach the art of laying out an enduro. Just a few items to think about.

Finally, the government is looking at expanding the military camp in Leesville, LA, where the Piney Woods Enduro (SERA, fromer BJEC event) is held. They need your help! Call Johnny Kemp @ (504) 748-8569 to see how you can help!
