ENCOURAGE, EMPOWER, ENRICH

I was up to my eyeballs in the delicious and demanding experiences of being a mother, wife, and art festival producer when, in the winter of 2012, the life I envisioned came into focus. Working with my health coach, I started to work out and eat more healthily, and kept my intentions for myself present in my mind.

Today, the life I envisioned has materialized.

lamTra products (mantra cups, power pins, intention beads, shadow candles etc) are tools that I use in my daily life to Encourage, Empower and Enrich.

I have found that if you stay focused on who you want to be and what you want from your life, **it will happen!**

BIG love, Jennifer
