

Welcome to Camp Blue Wave 2020!

A brief description of the camps we offer:

Little Waves is open for children that will be starting Kindergarten. The program will provide a developmentally appropriate environment for young children. Camp will consist of an exciting, hands-on curriculum, which will include outdoor activities, art, games, music/movement, water days, and field trips.

Kids Camp is open to children entering 1st-8th grade. This camp will consist of supervised activities that correspond to a daily theme (which will be displayed on our calendar), including art, crafts, games, tournaments, and field trips. Participants will be encouraged to explore their creativity in engaging activities throughout the day.

Sports Camp is open to children entering 2nd-8th grade. This camp will focus on leadership and sportsmanship involving various sports such as football, soccer, basketball, baseball, and hockey. Emphasis will be on social, creative, and athletic skills. A calendar will be posted on our website that shows the schedule of sports, week by week.

Morning and afternoon snacks will be provided to all camps.

All camps have **limited enrollment** and will be filled on a first come, first serve basis. In the case that enrollment fills up, we will have an active waiting list.
