From the Principal

It's been a while since I've had the chance to give an update of what's been going on at the school these last couple of months. I haven't had the opportunity to thank everyone who helped out, or just came to enjoy the food and fellowship at our Thanksgiving luncheon. The gym was packed, and that is a good thing! Everyone enjoyed all they could eat, and after everyone was finished, we held the November and December Mega Moolah drawings. November's winner brought home \$200, and the December (Christmas) winner brought home a cool \$1,000! Merry Christmas and congratulations to the winners and thank you all for buying tickets for our annual fund-raiser. I also didn't get a chance to wish you a Merry Christmas or a Happy New Year. So instead, I hope everyone had a great holiday! Many wishes for a peaceful and prosperous New Year from all of us here at St. Joseph School. We took the kids caroling to some local businesses before Christmas break. They did a great job singing along to Mr. Visconti's guitar accompaniment. The local business owners were more than gracious hosts as they all had a little something for the kids as they left. Thank you, merchants! Our annual Christmas program, directed by Mrs. Jamie Stima, was a big hit again this year. Mrs. Raitch's preschoolers might have stolen the show. Those little ones are just sooo cute! Seriously though, everyone worked hard, and the upper grades did a great job with their chimes! Thank you to everyone who attended. It means a lot to the kids to see how many people are there to support them. It never ceases to amaze me that when we have a function, although we have just over 40 students, we have well over 150 people attending the events. That is testimony to how much support the students have here at St. Joseph School. I can't thank you enough for that support, both physically and financially! Our mission would fail without all of you behind us. With all that being said, the next item to mention is our return to school. Did I just detect a small sigh of relief? We'll be returning to school tomorrow, Monday Jan. 6th, after quite a long break. I'm not sure about the kids, but I'm pretty sure mom and pop are ready for things to return to normal! We look forward to your children returning all bright-eyed and ready to learn in the morning!

Happy New Year From All of Us to All of You!

Mr. Dan Salvati, Principal
