## THIS WEEK WE TALKED ABOUT.....

The first day we read the book The Kissing Hand. Chester left a note for the children so we followed his foot prints through out the church to see if we could find him. He left a special treat at the table for everyone to enjoy and went back into the book. This week we made ME books that they worked very hard on. Enjoy them!!

For the month of September we will be concentrating on the color red. **September 12<sup>th</sup> is red day** Remind your child to wear red on that Friday.

Book orders were sent home if interested in ordering please fill out the form on the back of the fliers. Return along with the money or check made payable to Scholastic Book Clubs. You only need to write one check. You can put any orders in Max. Max is right inside the room by door on wall. There is an opening on the top of Max to put things in. Or go online and place an order at [www.scholastic.com/bookclubs](http://www.scholastic.com/bookclubs) remember Class Activation Code: GMFXV

## REMINDERS ...

Bring a healthy Snack and water bottle everyday for your child.

When they arrive at preschool they can put their snack in their snack spot on the white shelf. Have the children put their folder in the back of their chair then meet in the Welcoming room across from the preschool room. When everyone has arrived we will go over to the room for circle time.

We sent home the calendar for the school year. Hope everyone had a chance to look at it. This year we will wish your child a Happy Birthday the closest day to their actual birthday. It is your choice if you would like to bring something to share with the class. If you have a summer birthday and would like to bring treats you can do so in May.

**Thank you** for all your generosity for donating items from our wish list. Everything was greatly appreciated.

**LAST WEEKS NEWS.....** Welcome to all who are new to Angel Academy this year and welcome back to returning children and families. It has been wonderful to see all of you at the Open House. We are eager to greet your children, to work and play with them each day and to be partners with you in their growth and development. It is important that these first years of school for your child are stimulating and happy.
