

Community Connections (Learning about IL #2)

June 15,16,17 and 20

8:00 -4:00 pm 30 PDC's or 2 grad credits

\$400 for PDC

\$150 additional for Grad Credit

Lindenwood University: Syllabus and course number – coming soon.

This 4-day class includes field trip experiences throughout our local community. Designing and developing local field trips and project-based learning research opportunities will be the culminating assignment. (Learning about IL #1 is not a prerequisite.)

- How can we utilize local agricultural, history and industries to encourage students in project-based learning research?
- How can field trips improve student learning?
- How can students gain skills for IAR from field trips?
