

REFUGEE UPDATE

World Mission Alliance is helping FPC sponsor two Christian Middle East families resettle in Branson. The 2020 fund has dedicated \$50,000 to support the two families. Private funding has also been pledged for this cause.

Both families have had two interviews with the Canadian Embassy for approval to arrive into Canada. Once they are approved and located there, it is unclear how long the immigration process will be to get to Branson. We pray it will go smooth and fast.

They will arrive in Canada with little more than the clothes they are wearing. We have agreed to provide housing, food, clothes, car, and all the other living necessities for up to one year. This is a big undertaking and will not be possible without your support. When the families have been approved to move to Branson, we will be asking for donations to furnish an apartment. Renting a furnished apartment for the first year is part of our agreement.

The first family, Hagopians, was introduced to the congregation by John Stickman after John and Tina visited them in Beirut.

The second family is the Akobi's; husband is Dhiaa Sameer, wife is Hiba Subhi Majeed and their daughter is Mirna Dhiyaa Sameer. Family photo is included.
