PATIENT FINANCIAL RESPONSIBILITIES

Co-Payment and Deductible

You are responsible to provide payment for your deductible and co-payment and any non-covered services received . If your deductible has been satisfied, we will bill your health plan. If your deductible has not been satisfied and/or eligibility verification of your plan indicates your coverage is no longer effective, payment is required at the time of service. Your co-payment is also due at the time of service.

Medicare

We do accept Medicare assignment. You are responsible for your deductible and co-payment. If you have a secondary insurance carrier, a portion of your co-payment may be covered.

Non-Covered Services

If we provide services to you that are not covered by your health plan or you are not a covered enrollee under the plan at the time the services in question were rendered, you will be responsible for payment in full for those services. Your signature below constitutes agree to pay for such services.

Payment Arrangements

Payments may be made in cash, by check or credit card. Payment is expected at the time of service, payment arrangements will not be granted.

We are happy to discuss with you any questions relating to the information above. We thank you for choosing Inland Valley Cardiovascular Center for your cardiovascular care.

39755 MURRIETA HOT SPRING RD. SUITE E-130, MURRIETA, CA 92563

PRIVACY OFFICER: SHELLY STEPHENS OFFICE MANAGER

PURPOSE:

The following privacy policy is adopted to ensure that this medical practice complies fully with all federal and state privacy protection laws and regulations. Protection of patient privacy is of paramount importance to this organization. Violations of any of these provisions will result in severe disciplinary action including termination of employment and possible referral for criminal prosecution.

Effective Date: 4/8/2011

It is policy of this medical practice that we will adopt, maintain and comply with our Notice of Privacy Practices, which shall be consistent with HIPPA and California Law.

Notice of Privacy Practices:

It is the Policy of this medical practice that a notice of privacy practices must be published, that this notice be provided to all subject individuals at the first patient encounter if possible, and that all uses and disclosures of protected health information be done in accord with this organization's notice of privacy practices. It is the policy of this medical practice to post the most current notice of privacy practices in our "waiting room" area, and to have copies available for distribution at our reception desk.

Assigning Privacy and Security Responsibilities:

It is the policy of this medical practice that specific individuals within our workforce are assigned the responsibility of implementing and maintaining the HIPPA Privacy and Security Rule's requirements. Furthermore, it is the policy of this medical practice that these individuals will be provided sufficient resources and authority to fulfill their responsibilities. At a minimum it is the policy of this medical practice that there will be one individual or job description designated as the Privacy Official.

Deceased Individuals:

It is the policy of this medical practice that privacy protections extend to information concerning deceased individuals.

Minimum Necessary Use and Disclosure of Protected Health Information:

It is the policy of this medical practice that for all routine and recurring uses and disclosures of PHI (except for uses or disclosure made 1) for treatment purposes, 2) to or as authorized by the patient or 3) as required by law for HIPPA compliance such uses and disclosures of protected health information must be limited to the minimum amount of information needed to accomplish the purpose of the uses or disclosure. It is also the policy of this medical practice that non-routine uses and disclosures will be handled pursuant to established criteria. It is also the policy of this organization that all requests for protected health information (except as specified above) must be limited to the minimum amount of information needed to accomplish the purpose of the request their rights under HIPPA regulations. It is also the policy of this organization that no employee or contractor may condition treatment, payment, enrollment or eligibility for benefits on the provision of an authorization to disclose protected health information except as, expressly authorized under the regulations.

Responsibility:

It is the policy of this medical practice that the responsibility for designing and implementing procedures to implement procedures to implement this policy lies with the Privacy Official.

Verification of identity:

It is the policy of this medical practice that the identity of all persons who request access to protected health information be verified before such access is granted.

Mitigation:

It is the policy of this medical practice that the effects of any unauthorized use or disclosure of protected health information be mitigated to the extent possible.

Safeguards:

It is policy of this medical practice that appropriate physical safeguards will be in place to reasonably safeguard protected health information from any intentional or unintentional use or disclosure that is in violation of the HIPPA Privacy Rule. These safeguards will include physical protection of premises and PHI, technical protection of PHI maintained electronically and administrative protection. These safeguards will extend to the oral communication of PHI. These safeguards will extend to the PHI that is removed from this organization.

Business Associates:

It is the policy of this medical practice that business associates must be contractually bound to protect health information to the same degree as set forth in this policy. It is also the policy of this organization that business associates who violate their agreement will be dealt with first by an attempt to correct the problem, and if that fails by termination of the agreement and discontinuation of services by the business associate.

Training and Awareness:

It is the policy of this medical practice that all members of our workforce have been trained by the compliance date on the policies and procedures governing protected health information and how this medical practice complies with the HIPPA Privacy and Security Rules. It is also the policy of this medical practice that new members of our workforce receive training on these matters within a reasonable time after they have joined the workforce. It is the policy of this medical practice to provide training should any policy or procedure related to the HIPPA Privacy and Security Rule materially change. This training will be provided within a reasonable time after the policy or procedure materially changes. Furthermore, it is the policy of this medical practice that training will be documented indicating participants, date and subject matter.

Acknowledgement of Receipt of Notice of Privacy Practices

Hoang M. Lai, M.D.

Privacy Officer: Shelly Stephens (951) 894-1131

I hereby acknowledgement that I received a copy of this medical practice’s Notice of Privacy Practices, I further acknowledge that a copy of the current notice will be posted in the reception area, and that a copy of any amended Notice of Privacy Practices will be available at appointment.
