

SPECIAL WATERSHED MEETING # 586.1

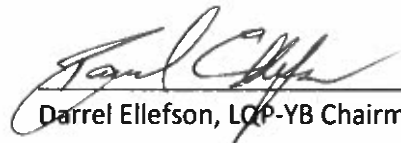

December 13, 2018

A Special meeting of the Lac qui Parle-Yellow Bank Watershed District was held on Thursday, December 13, 2018 at 1:00 p.m. in section 4, Norman Township, Yellow Medicine County. Chairman Ellefson called the meeting to order at 1:00 p.m. **Managers present:** David Craigmile, & David Ludvigson. **Managers absent:** John Cornell & Joe Ferguson. **Others present:** Administrator Trudy Hastad & Stu Frazier from Frazier Tiling.

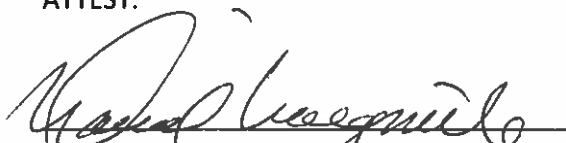

The meeting was called to order in the field in Section 4, Norman Township, to view the concern of Deb Nesfedt of tiling done in Section 4 & 5 of Norman Township outletting in the creek on her property. Stu Frazier with Frazier Tiling provided a detailed map of the project and met the Board on site to explain the project, size of tile, how it hooked to together and where it outletted. Discussion followed.

The Board discovered that the project was within the watershed of the creek where it outletted and looked like a good project. The concern noted was that the 5" tile on the Gordon Ferguson property was done without a watershed permit. Hastad will contact the Ferguson's and request an after-the-fact permit with required signatures. If this is not obtained the tile will have to be plugged/and or a misdemeanor issued.

The meeting adjourned at 3:00 p.m.
