Christmas in July Tree Special (Sunday, July 8th thru Saturday, July 14th)

The 14" lighted Christmas Trees are our most popular trees during the holiday season. They are normally \$135, but they will be available from July 8th thru July 14th for \$105 – **that's a \$30 savings**. Studio fee of \$7 will apply to **each** tree purchased and will be charged at the time the tree is purchased. When the special is over, or when the trees are gone, they will revert to their normal price. We will honor this discount until close of business on July 14th or until we run out of trees. If trees are purchased for painting later, they must be taken home and painted by Oct. 15th, or there will be a surcharge of \$10 charged when you paint.
